Vacation: Miller, JC: 9781620154809: Amazon.com: Books

JC Miller sends Dr. William Koval on a hero's journey worthy of a Greek warrior. Although, the journey William goes on to find himself is as much metaphorical as it is physical. I would classify Vacation as contemporary fiction, although there is a light romantic theme appearing midway.

Pre-release Review: Vacation by JC Miller - The Audiobookworm

I enjoyed JC's writing and easy use of metaphors and similes to describe wonderful places like Puget Sound and the Cotswolds! I'll be looking out for more audible books narrated by Curt or written by JC Miller! I actually have a Dr. Koval withdrawal after listening to this novel!

Vacation Jc Miller - centriguida.it

I'm a big fan of JC Miller's work. Of her other 3 audiobooks currently here on Audible, I've rated each 4 out of 5 or above. She's a marvellous storyteller and Vacation is no exception. Falling somewhere between a comedy and a romance, her ability to make me laugh and then tear up with sadness is a credit to her talent.
