4.5 STARS You must read Uncovering You: The Contract first! Dark themes and non-con included. I avoid serials like they're the plague. To be honest, I wasn't too thrilled with the first part so whether or not I liked this second part in the Uncovering You series would determine if I wanted to continue with J.S. and Lilly's captive/captor story.

**Submission (Uncovering You #2) by

Brilliant Wow, this really is a mega box set thank you Scarlett for being so generous. Uncovering you this is a very dark and powerful series and is certainly not for the faint hearted you do have to wonder if a human could possibly go through all the things that Lilly did and

come through remotely sane.
