The infantry in the American Civil War comprised foot-soldiers who fought primarily with small arms, and carried the brunt of the fighting on battlefields across the United States. Historians have long debated whether the evolution of tactics between 1861 and 1865 marked a seminal point in the evolution of warfare. The conventional narrative is that generals and other officers adhered stubbornly to the tactics of the Napoleonic Wars, in which armies employed linear formations and favored open fi **Infantry in the American Civil War - Wikipedia** Marching and fighting drill was part of the daily routine for the Civil War soldier. Infantry soldiers drilled as squads and in company formations, each man getting accustomed to orders and formations such as marching in column and in a "company front", how to face properly, dress the line, and interact with his fellow soldiers. After an hour of drill on that level, the company moved onto regimental level drills and parades.
