How To Become A Technical Advisor - Zippia

Technical Support Advisors work to maintain, update, and repair computer systems, networks, and other types of technology. Whether it's by assisting customers with a product or service, or helping

with the implementation of new systems within their organisation – their role could be based around providing everyday technical support to clients, their colleagues, or to both groups.

How to become a Technical Support Advisor | reed.co.uk

An adviser or advisor is normally a person with more and deeper knowledge in a specific area and usually also includes persons with cross-functional and multidisciplinary expertise. An adviser's role is that of a mentor or guide and differs categorically from that of a task-specific consultant. An adviser is typically part of the leadership, whereas consultants fulfill functional roles. The spellings adviser and advisor have both been in use since the 16th century. Adviser has always been the mo
