Abuse: The Complete Trilogy - Kindle edition by Sex, Nikki ...

Nikki Sex continues the story of Grant and Renata. Not sure how Nikki Sex does it but she writes from different characters points of view and she does it convincingly. In this book she lets us see some of Renata and Grants horrible past that has formed the people they are. If you read Abuse you need to read Accuse, I can't wait to start Avenger.

This is my favourite Nikki Sex book of all. It covers all kinds of ABUSE: Grant sees himself as a monster, Renata sees herself as a mouse. Some real surprises in this one.

Abuse (Abuse, #1) by Nikki Sex

Nikki Sex is well-known for her excellent writing, but this book leaves all her previous works in the dust. I am not a survivor of childhood abuse or neglect, but now I feel I understand those who are, so much better. This is not simply a litany of the horrors suffered by a young person, to further plot, or explain a character's motivations.

Wow!!! This book had me focused on nothing else for 2 days! It's intense! Hottest thing I've ever read. I was so emotionally invested in every way. Nikki's style of writing is addictive. I'm obsessed with her books. It's hard to read in some aspects. Abuse is very hard to read, hear about or suffer through. But I love the two leads.

There is some hot, raw and rough sex, Can be a little graphic but the main thing is Nikki Sex builds up to the sex. She does it by building it up slowly to the ultimate orgasm. If you like the raw and gritty love story then I recommend The Abuse Series.
