Failure to Drive Right

HAVE YOU BEEN DRINKING, SIR? Officer Kevin Burns made a remarkable 1,590 DWI arrests in his 27-year career working for the town of Southbury, CT, from 1989 to 2016. Early in his career, fed up with being called to accidents caused by drunk drivers, he decided to do something about it. He determined the best way to prevent such accidents was to stop drunk drivers before they crashed. "I saw DWI detection enforcement as preventing homicide/suicide/assault with a motor vehicle." Such an illustrious achievement should be celebrated by law enforcement, and Kevin Burns crowned a hero. Instead, he suffered discrimination at the hands of his department, including being unjustly accused of offenses that earned him a sixty-day suspension. Failure to Drive Right tells the stories of over one hundred of Officer Burns's more memorable DWI arrests in his career. From the lady partying after an AA meeting to the one with a baby strapped in the backseat, and the man driving drunk on a lawn tractor to the one Burns arrested eight times, Burns's stories are compelling and perhaps even familiar to those from the Southbury area. Burns includes a chapter revealing both the details of his unjust suspension and how he missed out on a well-deserved promotion. He also debunks the myths associated with Officer Burns, and explains how to beat a DWI.

The Circle *Faber & Faber*

'Einstein's triumph is to write so well that she makes Lena's predicament not only moving, in a perfunctory dismissive way, but also painful ... [she has] an accurate and acute feeling for language, and pauses, and silence.' Guardian Lena's seemingly contented family life is coming apart at the seams. Her husband Ben has been having an affair with the au pair, and as their relationship slides he retreats more and more into his work in a science lab. Sons Alan and Michael may appear happy enough, but this is far from the case - both are responding to a physical world which they alone inhabit. And Lena - desperately lost and seeking an identity of her own, both inside and outside of her family unit - increasingly finds solace at the bottom of a bottle. An exploration of just how lonely - and how magic - a marriage can be, The Circle is a poignant, poetic and incredibly assured debut novel.

The Outsiders *Pearson UK*

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

A Whole New Mind

Why Right-Brainers Will Rule the Future *Penguin*

New York Times Bestseller An exciting--and encouraging--exploration of creativity from the author of When: The Scientific Secrets of Perfect Timing The future belongs to a different kind of person with a different kind of mind: artists, inventors, storytellers-creative and holistic "right-brain" thinkers whose abilities mark the fault line between who gets ahead and who doesn't. Drawing on research from around the world, Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others) outlines the six fundamentally human abilities that are absolute essentials for professional success and personal fulfillment--and reveals how to master them. A Whole New Mind takes readers to a daring new place, and a provocative and necessary new way of thinking about a future that's already here.

Drive

The Surprising Truth About What Motivates Us *Penguin*

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose-and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Good to Great

Why Some Companies Make the Leap...And Others Don't *Harper Collins*

The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the verybeginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. “Some of the key concepts discerned in the study,” comments Jim Collins, “fly in the face of our modern business culture and will, quite frankly, upset some people.” Perhaps, but who can afford to ignore these findings?

Test Drive Your Dreams

How To Find the Path That's Right For You *Independently Published*

JOURNAL PROMPTS, EXAMPLES AND ACTION STEPS SO YOU CAN TEST DRIVE YOUR DREAM NOW, NOT SOMEDAYLet's face it, there are a lot of things you want to do in your life, you're just not doing most of them. Most are just dreams or desires that you've put on the backburner for someday. But the problem with putting things off is you could spend your entire life dreaming of something that you really don't want when all is said and done. For example, Test Drive Your Dreams author, Jennifer Blanchard, dreamed of starting a handmade jewelry business for years, but when she finally did it, she discovered she didn't enjoy it, so she gave it up, not long after she started. By test-driving the dream, she was able to get clear that handmaking jewelry wasn't a good fit for her, and that freed her up to do something else that was.When it comes to test driving your dreams, there are really two main options you can go with: Option 1: Do things the way society says you should do themThis is the option most people choose, often subconsciously. They've just been programmed for so long that this is the right path they don't question it, even when they should. Society says if you want something you must: -Figure out how you'll do it-Map out every step along the way-Work hard for it-Sacrifice-Toil away for years-Earn itThese are the beliefs that most people hold about going after their dreams, and that's also why a lot of people put their dreams off for "someday" or don't ever go after them at all. You've been convinced and/or somehow convinced yourself that getting what you want equals having to do things you don't want to do. And so it's easier to hide out, play small or put your dreams and desires off for later. But there's another option.There's another way to approach living your dreams and desires, and it doesn't have to look like hard work, sacrifice, toiling away or earning anything. Option 2: Do things the Test Drive Your Dreams way This is the road less traveled, simply because most people don't understand it and it's not common, but it's always been available to you, and it can be yours the moment you choose for it to be. In this new realm, if you want something you must: -Know that the

How is never up to you-Trust that if you take the first step you can think of, the next step will show itself to you -Take aligned actions (aka actions that feel good to you)-Be clear on your values and standards so you live by them in all areas-Co-create with the Universe -Believe that you always have been and always will be worthy of your dreams and desiresLooks a little different than Option 1, huh? This is the more empowering, intentional way to live your dreams. It takes bravery to step outside of the societal box and do something different, but it's worth everything you get on the other side. Freedom. Fun. Certainty. Knowing. Clarity. Connection. Synchronicity. Ease. Flow. Satisfaction. Receiving.It can all be yours when you buy your copy of "Test Drive Your Dreams" and begin giving your dreams a test drive.

Nineteen Eighty-Four Gateway

WAR IS PEACE FREEDOM IS SLAVERY IGNORANCE IS STRENGTH Winston Smith is a good worker. He supports the Party. He is good at his job rewriting history to Government specification. Big Brother watches him, but there is nothing to see. Winston's struggle against the totalitarian world he inhabits is a closely guarded secret. It exists only in his mind until he begins a secret love affair with Julia, a fellow worker. Is this enough to push him to revolution? Or is it the beginning of his downfall? A masterwork of dystopian fiction, Nineteen Eighty-Four is harrowingly prescient, and its impact has stretched around the globe. With a new introduction by political editor and writer Ian Dunt, this brand new edition of a science fiction classic is a must-have for any collector.

The Challenger Sale

Taking Control of the Customer Conversation Penguin

What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one-the Challenger- delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

The Fourth Industrial Revolution Currency

Between the 18th and 19th centuries, Britain experienced massive leaps in technological, scientific, and economical advancement

Don't Let the Pigeon Drive the Bus!

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

Lord of the Flies Penguin

Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

The Dictionary of Obscure Sorrows Simon and Schuster

NEW YORK TIMES BESTSELLER “It’s undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. “ —The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don’t have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: “sonder.” Or maybe you’ve watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That’s called “lachesism.” Or you were looking through old photos and felt a pang of nostalgia for a time you’ve never actually experienced. That’s “anemoia.” If you’ve never heard of these terms before, that’s because they didn’t exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows “creates beautiful new words that we need but do not yet have,” says John Green, bestselling author of The Fault in Our Stars. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “astrophe,” the longing to explore beyond the planet Earth, to “zenosyne,” the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

What Anyone Can Do

How Surrounding Yourself with the Right People Will Drive Change, Opportunity, and Personal Growth Routledge

"In What Anyone Can Do, with the help of Leo Bottary's Year of the Peer podcasts guests (and playful illustrations by Ryan Foland), you'll discover that if you surround yourself with the right people, you'll do the things anyone can do far more often. And when you do that, you and the people around you will realize more of what you want out of business and life. It's that simple."--Provided by publisher.

Invisible Child

Poverty, Survival & Hope in an American City *Random House*

A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from Pulitzer Prize-winning journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott’s *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Finalist for the PEN/John Kenneth Galbraith Award

The Lincoln Highway

A Novel *Penguin*

#1 NEW YORK TIMES BESTSELLER A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “A real joyride . . . elegantly constructed and compulsively readable.” – NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

Atomic Habits

An Easy & Proven Way to Build Good Habits & Break Bad Ones *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Oh, the Places You'll Go! *RH Childrens Books*

Dr. Seuss’s wonderfully wise Oh, the Places You’ll Go! is the perfect gift to celebrate all of our special milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a Lurch on a prickly-ly perch, Dr. Seuss addresses life’s ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

How to Talk Dirty

The Great Sex Book That Teaches You Dirty Talk. Drive and Influences Your Partner, Set the Right Mood for Sex and Have the Mind Blowing Sex. Them Will Pleading You for Sex.

The Tantalizing Talk That Will Spice Up Your Love Life A satisfying sex life is important to most men and women. It is a chance to share a part of ourselves with someone that we don't engage in with our other relationships. It is a way to express love, passion, and our animal instincts. Learning about the body and the mind of your partner should intrigue you, and it should be a mystery as well. It should have many layers and branches for you to explore over time. You don't want to be able to predict every move and know play-by-play what sex will be like with that person each time. Dirty talk allows you to take your sexual activities to an entirely new level. This type of engaging is a form of communication that allows a couple to explore role-playing and their innermost fantasies and to really feel like they are meeting the sexual needs of their partner. Dirty talking can take on many forms, and there is no right or wrong way to go about it. However, for this to work, both people must be invested in giving and receiving. The feedback you share is going to help your relationship to be as satisfying as possible. With that in mind, don't be shy about sharing what you enjoy. Sexual activities also offer the chance to try new things and discover what feels good. If it is too routine, the libido can suffer and the mind won't be engaged in what is taking place. Talking dirty to your partner allows the mind to be captivated and for the physical part of the event to be heightened. Throughout this book, you will explore some samples of how you can get things moving along in this new direction. It can be challenging, and you may be a bit nervous at first. However, if you are having sex with someone, then you already care about them deeply and you already trust them. Otherwise it wouldn't be an ongoing relationship. Try one of the forms of dirty talk mentioned in this guide and see how it plays out for you. This may be texting, email, over the phone talk, or in person. Practice what you sound like so you don't feel embarrassed when you put it out there. It is all about having fun, communicating, and sharing experiences that are between just the two of you with that special someone. Now that you have some direction, it is up to you to take the initiative! This e-book may prove to be one of the best you have ever read in terms of how it improves your love life. No one gets it perfect the first time. Don't beat yourself up if something comes out of your mouth that you didn't like or that you made you get mixed up. Your partner is going to be focused on the fact that you are very interested in them and that they are very turned on by it! They aren't going to be criticizing every word you said. Take it slowly and let the nature process unfold. From the signals your partner gives you, you will be able to tell if you should proceed or if you should back off. There is a very good chance they are going to love it! If all of this sounds like your ideal book, then hop on over and hit now that buy button! Well, stress no more! Buy this book and also learn all... and DOWNLOAD IT NOW! **For a Limited Time If You Buy the Paperback Version of this Book Can get the Kindle Book version for FREE **

Tennessee Comprehensive Driver License Manual

This Tennessee Comprehensive Driver License Manual has been divided into three (3) separate sections. The purpose of this manual is to provide a general understanding of the safe and lawful operation of a motor vehicle. Mastering these skills can only be achieved with practice and being mindful of Tennessee laws and safe driving practices.Section AThis section is designed for all current and potential drivers in Tennessee. It provides information that all drivers will find useful. Section A consists of pages 1 through 24. This section will help new and experienced drivers alike get ready for initial, renewal, and other license applications by explaining:* the different types of licenses available* the documentation and other requirements for license applications* details on Intermediate Driver Licenses and how this graduated driver license works for driver license applicants under age 18* basic descriptions of the tests required to obtain a Driver LicenseSection BThis section is designed to help new drivers study and prepare for the required knowledge and skills for an operator license. It includes helpful practice test questions at the end of each chapter. Section B consists of pages 25 through 90. This section of the manual provides information related to:* Examination requirements for the vision, knowledge and road tests* Traffic signs, signals, and lane markings* Basic Rules of the Road* Being a responsible driver and knowing the dangers and penalties of Driving Under the Influence of alcohol and drugs.Section CThis section provides information and safety tips to improve the knowledge of all highway users to minimize the likelihood of a crash and the consequences of those that do occur. This section consists of pages 91-117. It also provides information about sharing the road with other methods of transportation, which have certain rights and privileges on the highways which drivers must be aware of and respect.It is important to read this information and learn what you can do to stay safe, and keep your family safe, on the streets, roads and highways of our great state.

Excel 2013: The Missing Manual "O'Reilly Media, Inc."

The world’s most popular spreadsheet program is now more powerful than ever, but it’s also more complex. That’s where this Missing Manual comes in. With crystal-clear explanations and hands-on examples, Excel 2013: The Missing Manual shows you how to master Excel so you can easily track, analyze, and chart your data. You’ll be using new features like PowerPivot and Flash Fill in no time. The important stuff you need to know: Go from novice to ace. Learn how to analyze your data, from writing your first formula to charting your results. Illustrate trends. Discover the clearest way to present your data using Excel’s new Quick Analysis feature. Broaden your analysis. Use pivot tables, slicers, and timelines to examine your data from different perspectives. Import data. Pull data from a variety of sources, including website data feeds and corporate databases. Work from the Web. Launch and manage your workbooks on the road, using the new Excel Web App. Share your worksheets. Store Excel files on SkyDrive and collaborate with colleagues on Facebook, Twitter, and LinkedIn. Master the new data model. Use PowerPivot to work with millions of rows of data. Make calculations. Review financial data, use math and scientific formulas, and perform statistical analyses.

Understanding by Design *ASCD*

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

How Fascism Works

The Politics of Us and Them *Random House Trade Paperbacks*
“No single book is as relevant to the present moment.”—Claudia Rankine, author of Citizen “One of the defining books of the decade.”—Elizabeth Hinton, author of From the War on Poverty to the War on Crime NEW YORK TIMES BOOK REVIEW EDITORS’ CHOICE • With a new preface • Fascist politics are running rampant in America today—and spreading around the world. A Yale philosopher identifies the ten pillars of fascist politics, and charts their horrifying rise and deep history. As the child of refugees of World War II Europe and a renowned philosopher and scholar of propaganda, Jason Stanley has a deep understanding of how democratic societies can be vulnerable to fascism: Nations don’t have to be fascist to suffer from fascist politics. In fact, fascism’s roots have been present in the United States for more than a century. Alarmed by the pervasive rise of fascist tactics both at home and around the globe, Stanley focuses here on the structures that unite them, laying out and analyzing the ten pillars of fascist politics—the language and beliefs that separate people into an “us” and a “them.” He knits together reflections on history, philosophy, sociology, and critical race theory with stories from contemporary Hungary, Poland, India, Myanmar, and the United States, among other nations. He makes clear the immense danger of underestimating the cumulative power of these tactics, which include exploiting a mythic version of a nation’s past; propaganda

that twists the language of democratic ideals against themselves; anti-intellectualism directed against universities and experts; law and order politics predicated on the assumption that members of minority groups are criminals; and fierce attacks on labor groups and welfare. These mechanisms all build on one another, creating and reinforcing divisions and shaping a society vulnerable to the appeals of authoritarian leadership. By uncovering disturbing patterns that are as prevalent today as ever, Stanley reveals that the stuff of politics—charged by rhetoric and myth—can quickly become policy and reality. Only by recognizing fascists politics, he argues, may we resist its most harmful effects and return to democratic ideals. “With unsettling insight and disturbing clarity, How Fascism Works is an essential guidebook to our current national dilemma of democracy vs. authoritarianism.”—William Jelani Cobb, author of The Substance of Hope

Good to Great

Why Some Companies Make the Leap ... and Others Don't *Random House*
Can a good company become a great one and, if so, how?After a five-year research project, Collins concludes that good to great can and does happen. In this book, he uncovers the underlying variables that enable any type of organization to
