Allen Carr has helped millions of people become happy non-smokers. His unique method removes your psychological dependence on cigarettes and literally sets you free. Accept no substitute. Five million people can't be wrong.

Kick the Drink...Easily! *Crown House Publishing*

There is no such thing as an alcoholic and there is no such disease as alcoholism! (as society understands it). Whether you agree with this statement or not, one thing is for sure, you will never see alcohol in the same light ever again after reading this book. Jason Vale takes an honest and hard

hitting look at people's conceptions of our most widely consumed drug. Jason's major argument is there is no such thing as an 'alcoholic' and that we are conditioned to accept alcohol as a 'normal' substance in today's society despite the fact that it is the major cause of many of today's social problems and a wide range of health issues. This book is much more than a simple eye opener, it will: change the way you see alcohol forever; show you how to stop drinking; help you enjoy the process and enjoy your life so much more than you do now without having to drink alcohol. So open your mind and take a journey with Jason to explore the myths about the most used and accepted drug addiction in the world!

The Easy Way for Women to Stop Drinking

Allen Carr's Easyway is the most effective stop-smoking method of all time and it has now been successfully applied to a wide range of other issues. Here the method focuses on one of the fastest-growing problems of modern times: women's drinking. Alcohol blights women's lives often in a different way to men's: women tend to stay at home drinking alcohol; women often feel particular shame over drinking too much; drinking around children can be a particular burden; in summary there are a lot of added pressures on women to stop drinking and often they feel this is an impossible task. Luckily, Allen Carr's Easyway makes it easy to stop drinking. It's the tried-and-tested cessation method that really works. With startling insight into why women drink and clear, simple, step-by-step instructions, Allen Carr shows you the way to escape from the alcohol trap in the time it takes to read this book. A unique method that does not require will power. Stop easily, immediately, painlessly and permanently. This book removes the psychological need to drink. Regain control of your life. --Publisher

It will show you the way to escape from the alcohol trap. With the brilliant illustrations of Bev Aisbett, this handy pocket book presented in a truly refreshing, accessible, dynamic, funny and enjoyable way. What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times

Allen Carr's Easy Way to Control Alcohol

This Naked Mind

Control Alcohol, Find Freedom, Discover Happiness & Change Your Life *Penguin*

This Naked Mind has ignited a movement across the country, helping thousands of people forever

change their relationship with alcohol. Many people question whether drinking has become too big a part of their lives, and worry that it may even be affecting their health. But, they resist change because they fear losing the pleasure and stress-relief associated with alcohol, and assume giving it up will involve deprivation and misery. This Naked Mind offers a new, positive solution. Here, Annie Grace clearly presents the psychological and neurological components of alcohol use based on the latest science, and reveals the cultural, social, and industry factors that support alcohol dependence in all of us. Packed with surprising insight into the reasons we drink, this book will open your eyes to the startling role of alcohol in our culture, and how the stigma of alcoholism and recovery keeps people from getting the help they need. With Annie's own extraordinary and candid personal story at its heart, this book is a must-read for anyone who drinks. This Naked Mind will give you freedom from alcohol. It removes the psychological dependence so that you will not crave alcohol, allowing you to easily drink less (or stop drinking). With clarity, humor, and a unique blend of science and storytelling, This Naked Mind will open the door to the life you have been waiting for. "You have given me my life back." —Katy F., Albuquerque, New Mexico "This is an inspiring and groundbreaking must-read. I am forever inspired and changed." —Kate S., Los Angeles, California "The most selfless and amazing book that I have ever read." —Bernie M., Dublin, Ireland

Alcohol Lied to Me: The Intelligent Escape from Alcohol Addiction *Lulu Press, Inc*

Craig Beck was a successful and functioning professional man in spite of a 'two bottles of wine a night' drinking habit. For 20 years, he struggled with problem drinking, all the time refusing to label himself an alcoholic because he did not think he met the stereotypical image that the word portrayed. Discover why all 'will-power' based attempts to stop drinking will fail (exactly as they are destined to do). Slowly Craig discovered the truth about alcohol addiction, and one by one, all the lies he had previously believed started to fall apart. For the first time, he noticed that he genuinely did not want to drink anymore. In this book, he will lead you through the same remarkable process. No need to declare yourself an alcoholic. A permanent cure, not a lifetime struggle. No group meetings or expensive rehab. No humiliation, no pain and 100% no 'will-power' required. Treats the source of the problem, not the symptoms.

Quit Like a Woman

The Radical Choice to Not Drink in a Culture Obsessed with Alcohol *Dial Press*

NEW YORK TIMES BESTSELLER • "An unflinching examination of how our drinking culture hurts women and a gorgeous memoir of how one woman healed herself."—Glennon Doyle, #1 New York Times bestselling author of *Untamed* "You don't know how much you need this book, or maybe you do. Either way, it will save your life."—Melissa Hartwig Urban, Whole30 co-founder and CEO The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol's ubiquity—in fact, the only thing ever questioned is why someone doesn't drink. It is a qualifier for belonging and if you don't imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What's more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don't need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

The Easy Way to Stop Gambling

Take Control of Your Life *Arcturus Publishing*

READ THIS BOOK AND BECOME A HAPPY NONGAMBLER FOR THE REST OF YOUR LIFE Allen Carr's Easyway is a global phenomenon. It has helped millions of smokers from all over the world, and has also been successfully applied to a wide range of other issues, including drinking, overeating, and overspending. Here the method addresses the fastest growing social problem of modern times: gambling. Allen Carr explains how gamblers fall into the trap and why they keep gambling despite knowing that it's ruining their lives. By explaining the nature of the trap, he removes the desire to gamble and the fears that keep you hooked. Most important of all, you will not feel that you've made a sacrifice, you will not miss gambling, and you will enjoy life to the full without feeling in any way deprived. What people say about Allen Carr's Easyway method: "The Allen Carr program was nothing short of a miracle." Anjelica Huston "It was such a revelation that instantly I was freed from my addiction." Sir Anthony Hopkins "His skill is in removing the psychological dependence." The Sunday Times

The Fastest Way to Stop Drinking... Guaranteed *Lulu.com*

The Fastest Way to Stop Drinking... Imagine if tomorrow you wake up with no hangover, no regrets and feeling full of energy and vitality. Picture your bank account with thousands of extra dollars in it and imagine what life would be like if you had a limitless abundance of quality time with your family and loved ones? If you are drinking on a regular basis then alcohol is stealing all that from you everyday. My name is Craig Beck; I used to be just like you... My drinking was hopelessly out of control for nearly two decades. Nothing I tried made any difference, I attempted dry weeks & months but I always just ended up drinking even more than before. My doctor agreed it was time to cut down but he could offer no practical solution to help me to do so. I concluded that the only way I was going to escape the insidious trap of alcohol was to throw away all the 'advice' I had been previously given and do the unthinkable.

If you want to quit drinking for good, but don't know where to start, this book is for you! In this book you will discover: How to overcome your fears about quitting and build your confidence Why most people think you are 'abnormal' when you quit? What are your risks in quitting drinking? Can you die from quitting alcohol? Are you an alcoholic? What side-effects and symptoms should you expect? Is recovery for the rest of your life? How can you help your recovery? How to break any habit in your life The four mindsets of quitting drinking What separates Kevin from other teachers in the field of quitting alcohol is his ability to break down complex ideas into a no-nonsense, straight talking, and down to earth approach. His up front coaching style is developed around breaking down your alcohol perceptions, rethinking your relationship with alcohol, and its use within our society

Your Turn**How to Be an Adult** *Henry Holt and Company*

New York Times bestselling author Julie Lythcott-Haims is back with a groundbreakingly frank guide to being a grown-up What does it mean to be an adult? In the twentieth century, psychologists came up with five markers of adulthood: finish your education, get a job, leave home, marry, and have children. Since then, every generation has been held to those same markers. Yet so much has changed about the world and living in it since that sequence was formulated. All of those markers are choices, and they're all valid, but any one person's choices along those lines do not make them more or less an adult. A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller How to Raise an Adult and of the lauded memoir Real American, Julie Lythcott-Haims has encountered hundreds of twentysomethings (and thirtysomethings, too), who, faced with those markers, feel they're just playing the part of "adult," while struggling with anxiety, stress, and general unease. In Your Turn, Julie offers compassion, personal experience, and practical strategies for living a more authentic adulthood, as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives. Being an adult, it turns out, is not about any particular checklist; it is, instead, a process, one you can get progressively better at over time—becoming more comfortable with uncertainty and gaining the knowhow to keep going. Once you begin to practice it, being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing. And Julie Lythcott-Haims is here to help readers take their turn.

Make a Difference: Talk to Your Child about Alcohol *Government Printing Office*

"Why develop a booklet about helping kids avoid alcohol?" Alcohol is a drug, as surely as cocaine

and marijuana are. It's also illegal to drink under the age of 21. And it's dangerous. Kids who drink are more likely to: * Be victims of violent crime. * Have serious problems in school. * Be involved in drinking-related traffic crashes. This guide is geared to parents and guardians of young people ages 10 to 14. These suggestions are just that--suggestions. Trust your instincts. Choose ideas you are comfortable with, and use your own style in carrying out the approaches ou find useful. Your child looks to you for guidance and support in making life decisions--including the decision not to use alcohol .Audience: Parents, child counselors, educators, child psychologists, physicians, school guidance counselors, and teenagers may be interested in this resource. The Alcohol Experiment: Expanded Edition

A 30-Day, Alcohol-Free Challenge To Interrupt Your Habits and Help You Take Control *Penguin*

Now complete with daily prompts to reflect on each day of a month-long, alcohol-free plan, the author of *This Naked Mind* helps readers challenge their thinking, find clarity, and form new habits. Changing your habits can be hard without the right tools. This is especially true for alcohol because habits are, by definition, subconscious thought processes. Through her methodical research of the latest neuroscience and her own journey, Annie Grace has cracked the code on habit change by addressing the specific ways habits form. This unique and unprecedented method has now helped thousands redefine their relationship to drinking painlessly and without misery. In *The Alcohol Experiment*, Annie offers a judgment-free action plan for anyone who's ever wondered what life without alcohol is like. The rules are simple: Abstain from drinking for 30 days and just see how you feel. Annie arms her readers with the science-backed information to address the cultural and emotional conditioning we experience around alcohol. The result is a mindful approach that puts you back in control and permanently stops cravings. With a chapter and journal prompt devoted to each day of the experiment, Annie presents wisdom, tested strategies, and thought-provoking information to supplement the plan and support your step-by-step success as you learn what feels good for you. It's your body, your mind, and your choice.

No Country for Old Men *Vintage*

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a

chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph.

Easy Way To Control Alcohol Explained By This Naked Mind

Alcoholic Sobriety Big Book with Recovery Detox Plan To Stop Drinking Now, Find Peace and Enjoy Sober Living Forever

Did you want to know when and how to say no to alcohol? How many time have you found yourself in this situation telling yourself you are going to stop drinking only to found yourself back in the same circle.? As someone who has been there, I can't blame you for not keeping to your word, it's not about how discipline or learned you are it is just that you are addicted or dependent. I can't remember the number of alcohol related problem my addiction put me into. The shame, embarrassment, health problems, and depression just to mention few, I have seen and feel it all that's why I don't want you to go through the same route of self-destruction. As alcohol dependency is something that can't be formed in simple terms, alcohol dependency in general is refers to the situation of being obsessed to continue drinking even when you know it's harmful to your health, being addicted to alcohol means you are not in control of the intake. I want you to imagine how your life would look like if you are not addicted to alcohol, the better quality health you would have, the extra money you would save, the feeling you get when you know you are being respected in the communities, among your peers, etc. how did you feel? I know you can't imagine it as life without alcohol is too dreadful for an addict to imagine. Even if you want to quit, the reality of the situation is that the addicted part of you won't make this easy, as it won't join force with the part of you that want to stop. This part of you is the dependent which will make your sober journey difficult. First of all in order to take control what you need is to be honest with yourself, take a look at the danger alcohol has caused or can caused you, and you need to understand that continuing this kind of life will carry you downhill. If you are one of these occasional drinker, your life might be looking great from an outside point of view. But you are likely to run into severe health problems or death from drinking illness such as cirrhosis, merely because you don't feel like giving up alcohol earlier, like those drinker who use to get knocked up by alcohol. Allen Carr's No More Hangovers

Alcohol : the Easy Solution

Alcohol in America

Taking Action to Prevent Abuse *National Academies Press*

Alcohol is a killer--1 of every 13 deaths in the United States is alcohol-related. In addition, 5 percent of the population consumes 50 percent of the alcohol. The authors take a close look at the problem in a "classy little study," as The Washington Post called this book. The Library Journal states, ". . . [T]his is one book that addresses solutions. . . . And it's enjoyably readable. . . . This is an excellent review for anyone in the alcoholism prevention business, and good background reading for the interested layperson." The Washington Post agrees: the book ". . . likely will wind up on the bookshelves of counselors, politicians, judges, medical professionals, and law enforcement officials throughout the country."
