Fair Play *New York Review of Books*

Fair Play is the type of love story that is rarely told, a revelatory depiction of contentment, hard-won and exhilarating. Mari is a writer and Jonna is an artist, and they live at opposite ends of a big apartment building, their studios connected by a long attic passageway. They have argued, worked, and laughed together for decades. Yet they've never really stopped taking each other by surprise. Fair Play shows us Mari and Jona's intertwined lives as they watch Fassbinder films and Westerns, critique each other's work, spend time on a solitary island (recognizable to readers of Jansson's *The Summer Book*), travel through the American Southwest, and turn life into nothing less than art.

Fair Play *Verlag Urachhaus*

Mari und Jonna, zwei Künstlerinnen, zwei Ateliers - verbunden durch einen Gang auf dem Dachboden. Tag für Tag, Jahr für Jahr leben und arbeiten sie Seite an Seite, in Helsinki, auf einer abgelegenen Schäreninsel oder auf Reisen durch Europa und die USA. Immer geleitet vom gegenseitigen Respekt, verlieren sie nie aus dem Blick, wie sie die Kreativität der anderen unterstützen können. "Fair Play" ist der letzte und vielleicht persönlichste Roman Tove Janssons, der Schöpferin der weltweit bekannten Muminrolle.

Fair Play

A Novel *Sort of*

'Fair Play' portrays a love between two older women, a writer and artist, as they work side-by-side in their Helsinki studios, travel together and share summers on a remote island.

Fair play *Narrativa*

The True Deceiver *New York Review of Books*

Deception—the lies we tell ourselves and the lies we tell others—is the subject of this, Tove Jansson's most unnerving and unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, *The Summer Book*, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody's talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children's book illustrator, appears to be Katri's opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna's life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.

Letters from Tove *U of Minnesota Press*

A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson's works, even her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing, those she wrote throughout her life reflect the gravity of her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist's days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They summon a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical and historical context by the volume's editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world's most beloved authors.

The Woman Who Borrowed Memories

Selected Stories *New York Review of Books*

An NYRB Classics Original Tove Jansson was a master of brevity, unfolding worlds at a touch. Her art flourished in small settings, as can be seen in her bestselling novel *The Summer Book* and in her internationally celebrated cartoon strips and books about the Moomins. It is only natural, then, that throughout her life she turned again and again to the short story. *The Woman Who Borrowed Memories* is the first extensive selection of Jansson's stories to appear in English. Many of the stories

collected here are pure Jansson, touching on island solitude and the dangerous pull of the artistic impulse: in “The Squirrel” the equanimity of the only inhabitant of a remote island is thrown by a visitor, in “The Summer Child” an unlovable boy is marooned along with his lively host family, in “The Cartoonist” an artist takes over a comic strip that has run for decades, and in “The Doll’s House” a man’s hobby threatens to overwhelm his life. Others explore unexpected territory: “Shopping” has a post-apocalyptic setting, “The Locomotive” centers on a railway-obsessed loner with murderous fantasies, and “The Woman Who Borrowed Memories” presents a case of disturbing transference. Unsentimental, yet always humane, Jansson’s stories complement and enlarge our understanding of a singular figure in world literature.

A Winter Book

Selected Stories *Sort of Books*

Drawn from youth and older age, and spanning most of the 20th century, this newly translated selection provides a thrilling showcase of the great Finnish writer's prose.

Tove Jansson

Work and Love *Penguin UK*

The definitive illustrated biography of one of the most unique and beloved children's authors of the 20th century, the creator of the Moomins. Tove Jansson (1914-2001) led a long, colourful and productive life, impacting significantly the political, social and cultural history of 20th-century Finland. And while millions of children have grown up with Little My, Snufkin, Moomintroll and the many creatures of Moominvalley, the life of Jansson - daughter, friend and companion - is more touching still. This book weaves together the myriad qualities of a painter, author, illustrator, scriptwriter and lyricist from fraught beginnings through fame, war and heartbreak and ultimately to a peaceful end.

Travelling Light *Sort of Books*

This newly translated collection of stories brilliantly evokes the shifting scenes and restlessness of summer. A professor arrives in a beautiful Spanish village only to find that her host has left and she must cope with fractious neighbours alone; a holiday on a Finnish Island is thrown into disarray when a disconcerting young boy arrives; an artist returns to an old flat to discover that her life has been eerily usurped. Philosophical and profound, but with the deceptive lightness that is her hallmark, Travelling Light is guaranteed to surprise and transport.

The Summer Book *New York Review of Books*

In The Summer Book Tove Jansson distills the essence of the summer—its sunlight and storms—into twenty-two crystalline vignettes. This brief novel tells the story of Sophia, a six-year-old girl awakening to existence, and Sophia’s grandmother, nearing the end of hers, as they spend the summer on a tiny unspoiled island in the Gulf of Finland. The grandmother is unsentimental and

wise, if a little cranky; Sophia is impetuous and volatile, but she tends to her grandmother with the care of a new parent. Together they amble over coastline and forest in easy companionship, build boats from bark, create a miniature Venice, write a fanciful study of local bugs. They discuss things that matter to young and old alike: life, death, the nature of God and of love. “On an island,” thinks the grandmother, “everything is complete.” In The Summer Book, Jansson creates her own complete world, full of the varied joys and sorrows of life. Tove Jansson, whose Moomintroll comic strip and books brought her international acclaim, lived for much of her life on an island like the one described in The Summer Book, and the work can be enjoyed as her closely observed journal of the sounds, sights, and feel of a summer spent in intimate contact with the natural world.

Maggie, Hu'ng, and Tu' come together during a highly charged season that will mark them forever. Exploring the indelible legacies of war and art, as well as love's power to renew, The Beauty of Humanity Movement is a stellar achievement by a globally renowned literary light.

Moomin Book Two

The Complete Tove Jansson Comic Strip *Macmillan*

Presents the complete comic series featuring Tove Jansson's observations of everyday life.

Notes from an Island

In the bitter winds of autumn 1963, Tove Jansson, helped by Brunström, a maverick fisherman, raced to build a cabin on a treeless skerry in the Gulf of Finland. The island was Klovharun, and for thirty summers Tove and her beloved partner, the graphic artist, Tuulikki Pietilä, retreated there to live, paint and write, energised by the shifting seascapes and the island's austere rocky charms. Notes from an Island, written in 1996, is both a chronicle of this period and a paeon to the mature love that Tove and 'Tuuti' shared for their island and for each other. Tove's spare prose, and Tuulikki's subtle washes and aquatints combine to form a work of meditative and plangent beauty.

I'm Trying to Reach You

First Michael Jackson, then Pina Bausch and Merce Cunningham. Is someone killing famous dancers? A witty, creative, and seductive mystery.

The Man from Beijing *Knopf Canada*

From the internationally acclaimed author of the Kurt Wallander mysteries comes an extraordinary stand-alone novel - both a mystery and a sweeping drama - that traces the legacy of the nineteenth-century slave trade between China and America. January 2006. In the small Swedish hamlet of Hesjövalle, a horrific scene is discovered: nineteen people have been tortured and massacred and the only clue is a red silk ribbon found at the scene. Judge Birgitta Roslin has a particular reason to be shocked by the crime: her mother's adoptive parents, the Andrén, are among the victims. Investigating further, she learns that an Andrén family living in Nevada has also been murdered. Travelling to Hesjövalle, she finds a diary, kept by a gangmaster on the railway built across America in the 1860s, full of vivid descriptions of the brutality with which the Chinese and other slave workers were treated. She discovers that the red silk ribbon found at the crime scene came from a local Chinese restaurant, and she learns that a Chinese man, a stranger to the town, was staying at a local boarding house at the time of the atrocity. The police insist that only a lunatic could have committed such a horrific crime, but Birgitta suspects that there is much more to it, and she is determined to uncover the truth. Her search takes her from Sweden to Beijing and back, but Mankell's narrative also takes us 150 years into the past: to China and America when the hatred that fuelled the massacre was born, a hatred transformed and complicated over time and that will catch up to Birgitta as she draws ever closer to discovering who is behind the Hesjövalle murders.

In the Eye of the Wild *New York Review of Books*

After enduring a vicious bear attack in the Russian Far East's Kamchatka Peninsula, a French anthropologist undergoes a physical and spiritual transformation that forces her to confront the tenuous distinction between animal and human. In the Eye of the Wild begins with an account of the French anthropologist Nastassja Martin's near fatal run-in with a Kamchatka bear in the mountains of Siberia. Martin's professional interest is animism; she addresses philosophical questions about the relation of humankind to nature, and in her work she seeks to partake as fully as she can in the lives of the indigenous peoples she studies. Her violent encounter with the bear, however, brings her face-to-face with something entirely beyond her ken—the untamed, the nonhuman, the animal, the wild. In the course of that encounter something in the balance of her world shifts. A change takes place that she must somehow reckon with. Left severely mutilated, dazed with pain, Martin undergoes multiple operations in a provincial Russian hospital, while also being grilled by the secret police. Back in France, she finds herself back on the operating table, a source of new trauma. She realizes that the only thing for her to do is to return to Kamchatka. She must discover what it means to have become, as the Even people call it, medka, a person who is half human, half bear. In the Eye of the Wild is a fascinating, mind-altering book about terror, pain, endurance, and self-transformation, comparable in its intensity of perception and originality of style to J. A. Baker's classic The Peregrine. Here Nastassja Martin takes us to the farthest limits of human being.

Bending Genre

Essays on Creative Nonfiction *A&C Black*

Ever since the term "creative nonfiction" first came into widespread use, memoirists and journalists,

essayists and fiction writers have faced off over where the border between fact and fiction lies. This debate over ethics, however, has sidelined important questions of literary form. Bending Genre does not ask where the boundaries between genres should be drawn, but what happens when you push the line. Written for writers and students of creative writing, this collection brings together perspectives from today's leading writers of creative nonfiction, including Michael Martone, Brenda Miller, Ander Monson, and David Shields. Each writer's innovative essay probes our notions of genre and investigates how creative nonfiction is shaped, modeling the forms of writing being discussed. Like creative nonfiction itself, Bending Genre is an exciting hybrid that breaks new ground.

Fair Play

A Novel *Simon and Schuster*

From the bestselling author of *It Happened at the Fair* comes a historical love story about a lady doctor and a Texas Ranger who meet at the 1893 Chicago World's Fair. Saddled with a man's name, Billy Jack Tate makes no apologies for taking on a man's profession. As a doctor at the 1893 Chicago World's Fair, she is one step closer to having her very own medical practice—until Hunter Scott asks her to give it all up to become his wife. Hunter is one of the elite—a Texas ranger and World's Fair guard specifically chosen for his height, physique, character, and skill. Hailed as the toughest man west of any place east, he has no patience for big cities and women who think they belong anywhere but home. Despite their differences of opinion, Hunter and Billie find a growing attraction until Hunter discovers an abandoned baby in the corner of a White City exhibit. He and Billy team up to make sure this foundling isn't left in the slums of Chicago. As they fight for the underprivileged children in the Nineteenth Ward, an entire playground movement is birthed. But when the fair comes to an end, one of them will have to give up their dream. Will Billy exchange her doctor's shingle for the domesticated role of a southern wife, or will Hunter abandon the wide open spaces of home for a life in the "gray city," a woman who insists on being the wage earner, and a group of ragamuffins who need more than one breathing space?

Journey by Moonlight *New York Review of Books*

An NYRB Classics Original The trouble begins in Venice, the first stop on Erzsi and Mihály's honeymoon tour of Italy. Here Erzsi discovers that her new husband prefers wandering back alleys on his own to her company. The trouble picks up in Ravenna, where a hostile man zooms up on a motorcycle as the couple are sitting at an outdoor café. It's János, someone Mihály hasn't seen for years, and he wants Mihály to come with him in search of Ervin, their childhood friend. The trouble comes to a head when Mihály misses the train he and Erzsi are due to take to Rome. Off he goes across Italy, wandering from city to city, haunted and accosted by a strange array of figures from the troubled youth that he thought he had left behind: There are the charismatic siblings, Éva and Tamás, whose bizarre amateur theatricals linked sex and death forever in his mind; Ervin, a Jew turned Catholic monk who was his rival for Éva's love; and again, that ruffian on the motorcycle. Antal Szerb's dreamlike adventure, like Bulgakov's *The Master and Margarita*, is an intoxicating,

utterly individual mix of magic, madness, eros, and menace. In the words of the critic Nicholas Lezard, “No one who has read it has failed to love it.”

After the Blue Hour *Grove Press*

John Rechy's first novel, *City of Night*, an international bestseller, is considered a modern classic. Subsequent work asserts his place among America's most important writers. The author's most daring work, *After the Blue Hour* is narrated by a twenty-four-year-old writer named John Rechy. Fleeing a turbulent life in Los Angeles, he accepts an invitation to a private island from an admirer of his work. There, he joins Paul, his imposing host in his late thirties, his beautiful mistress, and his precocious teenage son. Browsing Paul's library and conversing together on the deck about literature and film during the spell of evening's "blue hour," John feels surcease, until, with unabashed candor, Paul shares intimate details of his life. Through cunning seductive charm, he married and divorced an ambassador's daughter and the heiress to a vast fortune. Avoiding identifying his son's mother, he reveals an affinity for erotic "dangerous games." With intimations of past decadence and menace, an abandoned island nearby arouses tense fascination over the group. As "games" veer toward violence, secrets surface in startling twists and turns. Explosive confrontation becomes inevitable.

Tove Jansson Life, Art, Words

The Authorised Biography

The Finnish-Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories, written between 1945 and 1970 and still in print in more than twenty languages. However, the Moomins were only a part of her prodigious output. Already admired in Nordic art circles as a painter, cartoonist and illustrator, she would go on to write a series of classic novels and short stories. She remains Scandinavia's best loved author. Tove Jansson's work reflected the tenets of her life: her love of family (and special bond with her mother), of nature, and her insistence on freedom to pursue her art. Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising. If her relationships with men foundered on her ambivalence towards marriage, those with women came as a revelation, especially the love and companionship she found with her long-time partner, the artist Tuulikki Pietilä, with whom she lived on the solitary island of Klovharu. In this meticulously researched, authorised biography, Boel Westin draws together the many threads of Jansson's life: from the studies interrupted to help her family; the dark shades of war and her emergence as an artist with a studio of her own; to the years of Moomin-mania, and later novel writing. Based on numerous conversations with Tove, and unprecedented access to her journals, letters and personal archives, *Tove Jansson: Life, Art, Words* offers a rare and privileged insight into the world of a writer whom Philip Pullman described, simply, as 'a genius'.

Sculptor's Daughter

Tove Jansson's first book for adults drew on her childhood memories to capture afresh the enchantments and fears of growing up in Helsinki in the nineteen tens and twenties. Described as both a memoir and 'a book of superb stories' by Ali Smith, her startlingly evocative prose offers a glimpse of the mysteries of winter ice, the bonhomie of balalaika parties, and the vastness of Christmas viewed from beneath the tree. With rare images from the Jansson family archive, it makes a perfect gift.

Surfacing *Penguin*

“[Kathleen Jamie’s] essays guide you softly along coastlines of varying continents, exploring caves, and pondering ice ages until the narrator stumbles over — not a rock on the trail, but mortality, maybe the earth’s, maybe our own, pointing to new paths forward through the forest.” —Delia Owens, author of *Where the Crawdads Sing*, “By the Book” in *The New York Times Book Review*. An immersive exploration of time and place in a shrinking world, from the award-winning author of *Sightlines*. In this remarkable blend of memoir, cultural history, and travelogue, poet and author Kathleen Jamie touches points on a timeline spanning millennia, and considers what surfaces and what reconnects us to our past. From the thawing tundra linking a Yup’ik village in Alaska to its hunter-gatherer past to the shifting sand dunes revealing the impressively preserved homes of neolithic farmers in Scotland, Jamie explores how the changing natural world can alter our sense of time. Most movingly, she considers, as her father dies and her children leave home, the surfacing of an older, less tethered sense of herself. In precise, luminous prose, *Surfacing* offers a profound sense of time passing and an antidote to all that is instant, ephemeral, unrooted.

The Foundation Pit *New York Review of Books*

Translated from the Russian by Robert & Elizabeth Chandler and Olga Meerson With notes and an afterword by Robert Chandler and Olga Meerson In Andrey Platonov’s *The Foundation Pit*, a team of workers has been given the job of digging the foundation of an immense edifice, a palatial home for the perfect future that, they are convinced, is at hand. But the harder the team works, the deeper they dig, the more things go wrong, and it becomes clear that what is being dug is not a foundation but an immense grave. *The Foundation Pit* is Platonov’s most overtly political book, written in direct response to the staggering brutalities of Stalin’s collectivization of Russian agriculture. It is also a

literary masterpiece. Seeking to evoke unspeakable realities, Platonov deforms and transforms language in pages that echo both with the alienating doublespeak of power and the stark simplicity of prayer. This English translation is the first and only one to be based on the definitive edition published by Pushkin House in Moscow. It includes extensive notes and, in an appendix, several striking passages deleted by Platonov. Robert Chandler and Olga Meerson's afterword discusses the historical context and style of Platonov's most haunted and troubling work.
