Tuesdays with Morrie

An Old Man, a Young Man, and Life's Greatest Lesson, 20th Anniversary Edition Crown
#1 NEW YORK TIMES BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Have a Little Faith

A True Story Hachette Books

What if our beliefs were not what divided us, but what pulled us together In Have a Little Faith, Mitch

Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since Tuesdays with Morrie, Have a Little Faith begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. Have a Little Faith is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

Finding Chika

A Little Girl, an Earthquake, and the Making of a Family *HarperCollins*

Bestselling author Mitch Albom returns to nonfiction for the first time in more than a decade in this poignant memoir that celebrates Chika, a young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to

find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

The Magic Strings of Frankie Presto

A Novel *HarperCollins*

Mitch Albom creates his most unforgettable fictional character—Frankie Presto, the greatest guitarist to ever walk the earth—in this magical novel about the bands we join in life and the power of talent to change our lives. At nine years old, Frankie is sent to America in the bottom of a boat. His only possession is an old guitar and six precious strings. But Frankie's talent is touched by the gods, and his amazing journey weaves him through the musical landscape of the 20th century, from classical to jazz to rock and roll, with his stunning talent affecting numerous stars along the way, including Hank Williams, Elvis Presley, Carole King, Wynton Marsalis and even KISS. Frankie becomes a pop star himself. He makes records. He is adored. But his gift is also his burden, as he realizes, through his music, he can actually affect people's futures—with one string turning blue whenever a life is altered. At the height of his popularity, Frankie Presto vanishes. His legend grows. Only decades later, does he reappear—just before his spectacular death—to change one last life. Bittersweet

How Sorrow and Longing Make Us Whole *Crown*

In her new masterpiece, the author of the bestselling phenomenon Quiet reveals the power of a bittersweet outlook on life, and why we've been so blind to its value. “Bittersweet grabs you by the heart and doesn't let go.”—BRENÉ BROWN, author of Atlas of the Heart “Susan Cain has described and validated my existence once again!”—GLENNON DOYLE, author of Untamed “A sparkling ode to the beauty of the human condition.”—ADAM GRANT, author of Think Again ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Bittersweetness is a tendency to states of longing, poignancy, and sorrow; an acute awareness of passing time; and a curiously piercing joy at the beauty of the world. It recognizes that light and dark, birth and death —bitter and sweet—are forever paired. If you've ever wondered why you like sad music . . . If you find comfort or inspiration in a rainy day . . . If you react intensely to music, art, nature, and beauty . . . Then you probably identify with the bittersweet state of mind. With Quiet, Susan Cain urged our society to cultivate space for the undervalued, indispensable introverts among us, thereby revealing an untapped power hidden in plain sight. Now she employs the same mix of research, storytelling, and memoir to explore why we experience sorrow and longing, and how embracing the bittersweetness at the heart of life is the true path to creativity, connection, and transcendence. Cain shows how a bittersweet state of mind is the quiet force that helps us transcend our personal and collective pain. If we don't acknowledge our own heartache, she says, we can end up inflicting it on others via abuse, domination, or neglect. But if we realize that all humans know—or will know—loss and suffering, we can turn toward one another. At a time of profound discord and personal anxiety, Bittersweet brings us together in deep and unexpected ways.

Witness at the Cross

A Beginner's Guide to Holy Friday *Abingdon Press*

Place yourself as a witness of the cross and determine what your own testimony will be! Experience Holy Friday from the perspective of those who watched Jesus die: Mary his mother; the Beloved Disciple from the Gospel of John; Mary Magdalene and the other women from Galilee; the two men, usually identified as thieves, crucified with Jesus; the centurion and the soldiers; Joseph of Arimathea and Nicodemus. Jews and Romans, friends and strangers, the powerful and the powerless, the hopeful and the despairing. The story of Jesus’s death is not something we just read: we think about it, and we experience it; we hear the taunts of the soldiers, the priests, and the passersby even as we hear the famous “seven last words” from the cross. In Witness at the Cross, Amy-Jill Levine shows how the people at the cross each have distinct roles to play. Each Evangelist presents a distinct picture of the death of Jesus. Each portrays different individuals and groups of people at the cross, each offers different images and dialogues, and so from each, we learn how those meanings and messages cross the centuries to any who would come to the cross today. Each Gospel has its own story to tell, all the witnesses have their own memories, and every reader comes away with a new insight. The witnesses at the Crucifixion watch Jesus die, and we watch with them, and we watch them. And we come away transformed. Additional components are available for a six-week study include a DVD featuring Dr. Levine and a comprehensive Leader Guide.

The Time Keeper *Hachette Books*

From the author who's inspired millions worldwide with books like Tuesdays with Morrie and The Five People You Meet in Heaven comes his most imaginative novel yet, The Time Keeper--a compelling fable about the first man on Earth to count the hours. The man who became Father Time. In Mitch Alбом's exceptional work of fiction, the inventor of the world's first clock is punished for trying to measure God's greatest gift. He is banished to a cave for centuries and forced to listen to the voices of all who come after him seeking more days, more years. Eventually, with his soul nearly broken, Father Time is granted his freedom, along with a magical hourglass and a mission: a chance to redeem himself by teaching two earthly people the true meaning of time. He returns to our world--now dominated by the hour-counting he so innocently began--and commences a journey with two unlikely partners: one a teenage girl who is about to give up on life, the other a wealthy old businessman who wants to live forever. To save himself, he must save them both. And stop the world to do so. Told in Alбом's signature spare, evocative prose, this remarkably original tale will inspire readers everywhere to reconsider their own notions of time, how they spend it, and how precious it truly is.

The Miracle Club

How Thoughts Become Reality *Inner Traditions*

A guide to creating miracles in your own life through the power of thought • Offers a concise, clear formula of focused exercises and concrete tools to lay out a specific path to manifest your deepest desires • Presents the first serious reconsideration of New Thought philosophy since the death of William James in 1910 • Draws on the work of New Thought pioneers such as Ralph Waldo Emerson, Napoleon Hill, Neville Goddard, William James, Andrew Jackson Davis, Wallace D. Wattles, and many others Following in the footsteps of a little-known group of esoteric seekers from the late-nineteenth

century who called themselves “the Miracle Club,” Mitch Horowitz shows that the spiritual “wish fulfillment” practices known as the Law of Attraction, Positive Thinking, “the Secret,” and the Science of Getting Rich actually work. Weaving these ideas together into a concise, clear formula, with real-life examples of success, he reveals how your thoughts can impact reality and make things happen. In this “manual for miracles,” Horowitz explains how we each possess a creative agency to determine and reshape our lives. He shows how thinking in a directed, highly focused, and emotively charged manner expands our capacity to perceive and transform events and allows us to surpass ordinary boundaries of time and physical space. Building on Neville Goddard’s view that the human imagination is God the Creator and Ralph Waldo Emerson’s techniques for attaining personal power, he explores the highest uses of mind-power metaphysics and explains what works and what doesn’t, illuminating why and how events bend to our thoughts. He encourages readers to experiment and find themselves “at the helm of infinite possibilities.” Laying out a specific path to manifest your deepest desires, from wealth and love to happiness and security, Horowitz provides focused exercises and concrete tools for change and looks at ways to get more out of prayer, affirmation, and visualization. He also provides the first serious reconsideration of New Thought philosophy since the death of William James in 1910. He includes crucial insights and effective methods from the movement’s leaders such as Ralph Waldo Emerson, Napoleon Hill, Neville Goddard, William James, Andrew Jackson Davis, Wallace D. Wattles, and many others. Defining a miracle as “circumstances or events that surpass all conventional or natural expectation,” the author invites you to join him in pursuing miracles and achieve power over your own life.
