La Donna saggia ed amabile

La Liberazione della Donna

eBook Free
Dedicato alla madre e rivolto alle giovani donne, nella speranza che il Risorgimento politico fosse anche un risorgimento femminile, è lo scritto La donna e i suoi rapporti sociali, pubblicato nel 1864. Convinta repubblicana, non esita a rimproverare a Mazzini e ai suoi seguaci l'idea conservatrice che il posto della donna stia soltanto nella famiglia: «non dite più che la donna è fatta per la famiglia, che nella famiglia è il suo regno e il suo impero! Le son queste vacue declamazioni come mille altre di simil genere! Ella esiste nella famiglia, nella città, in faccia ai pesi e ai doveri; di questi all'infuori, ella non esiste in nessun luogo». Il presente eBook ricalca e rinforza i temi già sviluppati in La Donna e i suoi Rapporti Sociali.

Cenni di una donna già cantante [Gertrude Righetti-Giorgi] sopra il maestro Rossini in risposta a ciò che ne scrisse nella state dell'anno 1822 il giornalista inglese in Parigi, etc. [A reply to an article entitled “Rossini,” signed Alceste, i.e. M. H. Beyle, in the Paris Monthly Review, vol. 1.]

La Donna combattuta dall'empio, e difesa dall'abate F. M. Bonini, etc

D'une scène à l'autre, vol.2 *Editions Mardaga*

Una Spiegazione dell'Apocalisse, contenente il vero misterioso nome 666 scoperto e scientificamente dimostrato dall'ingegnere Michele Santangeli, etc. [With the text.]

Gender Issues in Business and Economics

Selections from the 2017 Ipazia Workshop on Gender *Springer*
This volume presents current research on gender studies in the specific context of the knowledge economy. Featuring contributions from the 2017 Annual Ipazia, the Scientific Observatory for Gender Studies Workshop on Gender, this book investigates gender issues and female entrepreneurship from social, economic, corporate, organizational, and management perspectives, with particular emphasis on advancing the understanding of gender in business and economic research. The post-industrial knowledge economy is characterized by an emphasis on human capital as the real engine of sustainable growth and development. With women comprising an increasing share of the global workforce, gender studies play a central role in exploring and understanding the attitudes and skills of women in business and their impact on economic and social development. Gender inequality in public and private contexts is decreasing due to an increase of women in leadership roles in business, the expansion and diversity of females in education, and a larger presence of women in policymaking roles. Ipazia, the Scientific Observatory for Gender Studies, aims to define an updated framework of research, service and projects on women and gender relations to highlight the evolution of gender in business and economics. This volume features contributions on female-owned family business, gender diversity in organizations, gender capital, and immigration from the 2017 Ipazia workshop.

How Fascism Ruled Women

Italy, 1922-1945 *Univ of California Press*
"Italy has been made; now we need to make the Italians," goes a familiar Italian saying. Mussolini was the first head of state to include women in this mandate. How the fascist dictatorship defined the place of women in modern Italy and how women experienced the Duce's rule are the subjects of Victoria de Grazia's new work. De Grazia draws on an array of sources—memoirs and novels, the images, songs, and events of mass culture, as well as government statistics and archival reports. She offers a broad yet detailed characterization of Italian women's ambiguous and ambivalent experience of a regime that promised modernity, yet denied women emancipation. Always attentive to the great diversity among women and careful to distinguish fascist rhetoric from the practices that really shaped daily existence, the author moves with ease from the public discourse about femininity to the images of women in propaganda and commercial culture. She analyzes fascist attempts to organize women and the ways in which Mussolini's intentions were received by women as social actors. The first study of women's experience under Italian fascism, this is also a history of the making of contemporary Italian society.

Un posto nel mondo. Donne e migranti e pratiche di scrittura *Luigi Pellegrini Editore*
L’intreccio tra la migrazione in Italia e la pratica della scrittura letteraria in lingua italiana accomuna le donne le cui storie, raccolte in lunghe interviste biografiche, sono presentate e analizzate in questo volume. La migrazione può configurarsi come esperienza di sradicamento e di solitudine, anche in ragione delle forme di esclusione attive nella società d’approdo. Ma la pratica della scrittura, nella nuova lingua, può essere

strumento attraverso il quale costruire nuove appartenenze e sentire di poter avere, ancora, «un posto nel mondo», come afferma una delle donne intervistate. Le biografie raccolte mettono in crisi l’immaginario egemonico sulle “donne migranti”, popolato da stereotipi in cui si intersecano assunti razzisti, sessisti ed eurocentrici. L’esperienza della scrittura in migrazione viene interpretata e discussa come una pratica di soggettivazione, una pratica cioè attraverso la quale le donne migranti cessano di essere soggetti narrati e si rendono soggetti narranti, potendo così contribuire a ri-nominare e ri-significare i processi di costruzione e reificazione dell’alterità. «Questo è un libro in cui la sociologia è vivente. Promuove e articola la percezione di uno scarto fra le esperienze di chi questo mondo lo abita e i modi in cui le narrazioni più correnti le deformano. Promuove e articola curiosità e critica. È un libro molto bello. Io spero che lo leggano in tanti». Dalla Prefazione di Paolo Jedlowski

Programming Environments for Massively Parallel Distributed Systems

Working Conference of the Ifip Wg 10.3, April 25-29, 1994 *Springer Science & Business Media*
Massively Parallel Systems (MPSS) with their scalable computation and storage space promises are becoming increasingly important for high-performance computing. The growing acceptance of MPSS in academia is clearly apparent. However, in industrial companies, their usage remains low. The programming of MPSS is still the big obstacle, and solving this software problem is sometimes referred to as one of the most challenging tasks of the 1990's. The 1994 working conference on "Programming Environments for Massively Parallel Systems" was the latest event of the working group WG 10.3 of the International Federation for Information Processing (IFIP) in this field. It succeeded the 1992 conference in Edinburgh on "Programming Environments for Parallel Computing." The research and development work discussed at the conference addresses the entire spectrum of software problems including virtual machines which are less cumbersome to program; more convenient programming models; advanced programming languages, and especially more sophisticated programming tools; but also algorithms and applications.

LATINITATIS RATIONES

Descriptive and Historical Accounts for the Latin Language *Walter de Gruyter GmbH & Co KG*
This volume assembles 50 contributions presented at the XVII International Colloquium on Latin Linguistics. They embrace essential topics of Latin linguistics with different theoretical and methodological approaches: phonetics, syntax, etymology and semantics, pragmatics and textual analysis. It is a useful resource for the study of comparative and general linguistics, not only for linguists but also for scholars of classical philology.

'Onde Di Questo Mare'

Reconsidering Pavese *Troubador Publishing Ltd*
In the half-century following Pavese's death, much that was written about him sought principally to understand and define his complex character, and

to determine his place within the twentieth-century Italian literary canon. Latterly, there appears to have been a significant shift in focus towards a closer reading of individual works or aspects or periods of his writing, the better to analyse and reveal the subtleties and depth of his vision. This present collection of ten essays conforms broadly with this tendency. It is organised chronologically with regard to Pavese's life and works so as to convey a sense of the development of a writer, over and above the particular concerns of any given essay. The book features contributions from many leading experts on Pavese.

Italia: Civiltà e Cultura *University Press of America*
Italia: Civiltà e Cultura offers a comprehensive description of historical and cultural development on the Italian peninsula. This project was developed to provide students and professors with a flexible and easy-to-read reference book about Italian civilization and cultural studies, also appropriate for cinema and Italian literature classes. This text is intended for students pursuing a minor or a major in Italian studies and serves as an important learning tool with its all-inclusive vision of Italy. Each chapter includes thematic itineraries to promote active class discussion and textual comprehension check-questions to guide students through the reading and understanding of the subject matter.

Forgotten Italians

Julian-Dalmatian Writers and Artists in Canada *University of Toronto Press*
Scholarship on Italian emigration has generally omitted the Julian-Dalmatians, a group of Italians from Istria and Dalmatia, two regions that, in the wake of World War Two, were ceded by Italy to Yugoslavia as part of its war reparations to that country. Though Italians by language culture, and traditions, it seems that this group has been conveniently excised from history. And yet, Julian-Dalmatians constitute an important element in twentieth-century Italian history and represent a unique aspect of both Italian culture and emigration. This ground-breaking collection of articles from an international team of scholars opens the discussion on these "forgotten Italians" by briefly reviewing the history of their diaspora and then by examining the literary and artistic works they produced as immigrants to Canada. Forgotten Italians offers new insights into such celebrated authors as Diego Bastianutti, Mario Duliani, Caterina Edwards, and Gianni Angelo Grohovaz, as well as visual artists such as Vittorio Fiorucci and Silvia Pecota. Profoundly marked by the experience of being uprooted and forced into exile, by life in refugee camps, and by the encounter with a new culture, first-generation Julian-Dalmatians in Canada used art and writing to come to terms with their anguished situation and to rediscover their cultural roots.

Pathologica

Studi su Luigi Groto e sull'epigramma nei "Shakespeare's Sonnets" *LIT Verlag Münster*
Luigi Groto, detto il Cieco di Adria (1541\,--1585), ha goduto presso i contemporanei di un'ampia fama, nonostante il ruolo minore riservatogli nella storia dalla critica letteraria. Gli scritti raccolti in questo volume studiano la diffusione e la ricezione dell'opera del Groto nelle letterature europee, in un panorama che spazia dalla Spagna e dal Portogallo fino ai Balcani e a Creta, passando per l'Inghilterra elisabettiana e per le terre ducali d'Austria e di Baviera. Ne emerge una nuova dimensione del Groto come interprete paradigmatico del Manierismo e importante precursore del Barocco, nonché la prova di strette convergenze con Shakespeare.
