Dogs actually love physical affection and often seek it out from their favorite people. We're not saying you should pick up your dog and give it a super tight bear hug. Rather, pets, cuddles, leans, and maybe even gentle hugs are strong signals that you and your dog are truly bonded.

10 Ways Dogs Show Love - The Spruce Pets

Dog Is Love is a riveting first-person account of how a behavioural scientist who was initially sceptical about animal emotions came to ask - and answer - the question, "What is it about dogs that makes them special?" Based on his own research as well as the latest findings in neuroscience, ethology, genetics, and

animal welfare, Clive Wynne concludes that the bond between dogs and humans is based on their deep devotion to us.

We believe that a dog can lift our mood, change our day, keep us active and transform a house into a home. They offer freely what humans can spend a lifetime learning – the ability to love unconditionally. They save our lives in so many ways; we owe it to dogs to return

this amazing loyalty.

Adopt a Dog - Wild at Heart

Every dog lover knows the feeling. The nuzzle of a dog's nose, the warmth of them lying at our feet, even their whining when they want to get up on the bed. It really seems like our dogs love us, too. But for years, scientists have resisted that conclusion, warning against

anthropomorphizing our pets.
