In Super Mario Galaxy, the player must speak to Polari in one of the domes onboard the Comet Observatory (or in the main area of the Comet Observatory) to access the map of the Comet Observatory, from which they can then press the "List" button to access the Star List. In Super Mario Galaxy 2, this has been made much easier, as a "Star List" button has now been added directly to the pause menu, and the player can therefore access it any time during gameplay.

Star List - Super Mario Wiki, the Mario encyclopedia

Super Mario Galaxy 2 is one game which I cannot praise high enough.. I am well over 21 but I really did like it which I was so shocked at as my favourite games are those puzzle games where you have too work things out etc but some of the challenges had puzzle details where you had too work things out to finish the game.
