What to pay for a BMW
K1200R (2005-2008):
The R version was
never as popular as the
S model, making it a
bit trickier to locate in
the used market. Prices
for an early R start in
the £3,500 region in a
private sale with a
dealer charging closer
to £4,500 and rise up
to £5,500 and £6,500
respectively for a later
2008 model.

While searching for BMW motorcycles youll probably be interested in the actual performance of the bikes as well. Thats why its so important to look for specific models equipped with an engine size that you are comfortable with. Not only should you be concerned with engine size, but also transmission type. You can get one of these motorcycles with a manual or automatic transmission.
