Metric A system of measurement based on the decimal system.

Mass The measure of how much matter an object has. **Volume** The measure of the space within a three dimensional shape.

Prefix A group of letters placed at the start of word to change its meaning. **Convert** To change from one unit of measure to another.

VOCABULARY

dimensional shape.
word to change its meaning.

The metric system is a system of measurement consisting of basic units, such as liters, grams, and meters, along with their associated units. The basic units are altered with the addition of standard prefixes. The prefix added to a base informs you of the size of a unit by designating what multiple of ten it represents.
