Engaging NLP for Teens - NLP Family

First of all, this book supposed to be for teens from 13 - and for most teens between 13 and (hopefully 16) it would be too early to find this subject interesting (a subject which is anyway discussed in detail at school). Secondly, this book is supposed to be about NLP, not general teenage growing up book, so such advice is perhaps not suitable.

NLP is a series of techniques and processes that can be used for the purposes of therapy. Sessions of NLP tend to be structured and proactive and are therefore different to talking and listening based therapies such as counselling or psychotherapy. As NLP4Kids practitioners, we have specific techniques that we use for each challenge that children and teenagers may experience. These have been adapted from mainstream NLP methodologies.
