Musical Works and Performances: A Philosophical ...

Scores must be read in terms of the notional conventions and musical practices they take for granted. To be of a work, a performance must match its contents, must intentionally follow the work-determinative instructions, and must be tied by a robust causal chain to the work's creation. Also, the performance must be at least minimally faithful, so the work can be recognized in it. Authenticity is a virtue in a performance, and only small departures from the ideal are acceptable when made ...

Musical Works and Performances: A Philosophical ...

Stephen Davies presents an exploration of the nature of musical works, their performances, and the ways in which they are notated. He argues that works come in a variety of types, and discusses such questions as whether it is possible to perform old music authentically, the relations between recordings and live performances, and more.

Musical works and performances : a philosophical ...

In this book, I try to avoid the narrow parochialism that so far has distinguished musical aesthetics. Most philosophers of music (myself included) have concentrated on musical works to the exclusion of performances, on the listener's perspective to the exclusion of the composer's and the performer's, and on Western classical music to the exclusion both of popular forms of Western music and of ...
