The Usborne "look and say" books are an excellent series, I can't praise them enough. My son didn't start talking until he was about 2 and these really prompted and expanded his knowledge

and understanding of words. What I like is that the objects are shown on their own and then in the context of a scene- eg, they show a bath on its own and on the opposite page they show it in the bathroom ...

Usborne Little Lift and Look Garden - YouTube

It was a house that didn't look like a house. One end of the cottage was built into a high red-brick wall which enclosed three sides of the kitchen gardens, separating them from the rest of the Earl's grand country estate. A brown door was fitted into the wall at an angle, like a picture which had been given a gentle push to the right and never been straightened. Above it, a diamond-paned ...

If you look closely, you can make out my wide eyes, turned-up nose and mousey hair. I'm not tall or short, not fat or thin, not pretty or plain - ordinary, that's me. The woman on the end there, with a face like she's got something that smells bad stuck to her top lip, is the teacher, Mrs. Ellerby. She wasn't nearly as stern as the photograph makes her seem.
