Solidarity's mass nature was possible. Ash managed to write a successful and relatively comprehensive account of the birth of Poland's free trade union almost as the process was going on, when reliable sources were difficult to come by, and as the official state channels attempted to distort the real picture of the movement (often with success among some spheres of Western audiences).

**The Polish Revolution: Solidarity by
Timothy Garton Ash**

Solidarity is a trade union founded in August–September 1980 at the Lenin Shipyard in Gdańsk, Poland. Subsequently, it was the first

independent union in a Warsaw Pact country to be recognised by the state. The union's membership peaked at 10 million in September 1981, representing one-third of the country's working-age population. Solidarity's leader, Lech Wałęsa was awarded the Nobel Peace Prize in 1983 and the union is widely recognised as having played a central role in the end of ...

However, it took over three decades of civil resistance—waged over time with varying tactics and degrees of intensity—for Polish society to begin organizing and consolidating itself in a broad coalition of social forces that climaxed in the establishment of the

Solidarność (“Solidarity”) as an organization and a movement in August 1980. Solidarity, with its roots in trade unionism, shook and delegitimized the communist regime by exposing its ideological but false claims of being a ...

Poland’s Solidarity Movement (1980-1989) | ICNC

Unlike the 1956 and 1971 disruptions, Solidarity represented an attempt by Polish society to organize itself as a separate and self-governing entity outside the state. This was the basis of its famous “self-limiting” character, reflecting an awareness that the Soviets would not tolerate a threat to the state itself.
