Hard work: defining physical work performance requirements ...

To work hard means: To be highly self-motivated. Having the mental and physical stamina to grind out work. Personal sacrifice. Having a vision of what you want and wanting it more than others. Doing more of everything relative to those around you. Of the five on this list, doing more of everything is key to doing the ‘hard work’ necessary for success. To work hard can mean longer hours at work, less time with the family and friends, working when others are gone, staying up late and ...
