When Charlie is killed defending them in a brawl Byron and Mark begin to drift apart. Byron is in love with Cathy and has to make the decision of his life when her drug-addicted brother goes missing.

That Was Then, This Is Now *Turtleback*

Sixteen-year-old Mark and Bryon have been like brothers since childhood, but now, as their involvement with girls, gangs, and drugs increases, their relationship seems to gradually disintegrate.

Tex

Usually easygoing and affable, fifteen-year-old Tex undergoes a startling personality change when his rodeo-riding father reveals the truth about Tex's birth, unwittingly pushing the boy to the point of murder.

The Outsiders *Pearson UK*

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

An S.E. Hinton Collection *Viking Childrens Books*

Two novels reveal the realities of growing up young and poor in an Oklahoma city, the importance of family and friends during hardship, and the struggle to discover identity apart from society's perceptions.

Rumble Fish *Diversion Books*

The classic YA novel RUMBLE FISH, written by celebrated novelist S.E. Hinton and immortalized by legendary film maker Francis Ford Coppola, now available as an eBook for the first time. Rusty James wants to be just like his big brother Motorcycle Boy - tough enough to be respected by everyone in the neighborhood. But Motorcycle Boy is also smart, so smart that Rusty James relies on him to bail him out of trouble. The brothers are inseparable, and Motorcycle Boy will always be there to watch his back, so there's nothing to worry about, right? Or so Rusty James believes, until his world falls apart and Motorcycle Boy isn't there to pick up the pieces. From the author of THE OUTSIDERS, S.E. Hinton looks into a world where hope is hard to find, and violence is a fact of life. “Stylistically superb. . . . This packs a punch that will leave readers of any age reeling.”—School Library Journal “Sharper in focus and more mature in style than Hinton’s The Outsiders.”—Booklist An ALA Best Books for Young Adults A School Library Journal Best Books of the Year

Taming the Star Runner *Diversion Books*

The classic YA story of a boy, a horse, and pursuit of a dream. TAMING THE STAR RUNNER written by celebrated novelist S.E. Hinton, now available as an eBook for the first time. With an absent mother and a domineering step-father, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his step-father, Travis is sent to live on his uncle’s horse ranch - exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape, if only his step-father will stop standing in the way of his dreams. From the author of THE OUTSIDERS, S.E. Hinton once again writes about what it feels like to be unaccepted, and the power in being true to yourself. “Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished.”—Kirkus Reviews An ALA Best Books for Young Adults An ALA Quick Pick

That was Now, This is Then *Baen Books*

IN A FOLLOW-UP TO GROUNDBREAKING A LONG TIME UNTIL NOW, MASTER OF MILITARY SF MICHAEL Z. WILLIAMSON SENDS EPOCH-DISPLACED SOLDIER SEAN ELLIOTT AND HIS CREW ON A RESCUE MISSION WITHIN THE FOLDS OF TIME ITSELF SOLDIERS OUT OF TIME Then: First Lieutenant Sean Elliott and nine other mixed-service U.S. soldiers on a convoy in Afghanistan suddenly found them-selves and their MRAP vehicle thrown back to Earth’s Paleolithic Age. And they were not alone. Displaced Romans, Neolithic Europeans, and more showed up as well. Some would be allies. Some became deadly foes. Now: Scientists from an almost unimaginably far future need the survivors’ advice and support to reconnoiter and ultimately recover other groups displaced in time. There's just one problem. Not all of those other groups want to be recovered or even understand where they are. Prehistory is an ugly place, fascinating to vis-it, but no place for a civilized person to live. But the future, gorgeous as it is, has a darker side that dampens the appeal. In the end, only inventiveness, grit, and a thirst for freedom from the fickle tides of time can keep Sean and the displaced Americans alive and on a path to finally find a place—and a time—to call home. At the publisher's request, this title is sold without DRM (Digital Rights Management). About That Was Now, This Is Then: “. . . a classic story of survival. They may not like each other, but must to depend upon each other. Williamson shows how they pull together to create a solid society. . . . outstanding entertainment. Each character is different and fully developed. Even those you may dislike seem worth caring about. . . . grabs readers from the beginning and keep them reading to the end.”—The Galveston County Daily News About Michael Z. Williamson: “A fast-paced, compulsive read . . . will appeal to fans of John Ringo, David Drake, Lois McMaster Bujold, and David Weber.”—Kliatt “Williamson's military expertise is impressive.”—SFRreviews

And Then There Was One

A Novel *Oceanview Publishing*

New York Times and USA Today best-selling author One is the loneliest number Nine years ago, Katie and Scott Monroe were blessed beyond their wildest dreams with identical triplets: Sammie, Alex, and Jackie. Three beautiful daughters and two adoring parents formed the picture-perfect party of five. But this tight-knit family unravels when the three little girls go to see a movie, but only one emerges from the darkness of the theatre. How could Sammie and Alex vanish without a trace? Plunged into the abyss of a parent's worst fear, Katie and Scott hang by a thread—waiting, worrying, not knowing, and confronting the terrifying realization that the kidnapping may not have been a random act. Who took Sammie and Alex? Why? Where are they? When will they be found? And what if they're never found, or not found alive? When Jackie, the remaining triplet, crumbles under the weight of grief and survivor's guilt, Katie and Scott struggle to hold out hope and hold on to what remains of their family. Until—or unless—Sammie and Alex are found safe, this picture-perfect family can't be put back together again.

And Then It's Spring *Macmillan*

Simple text reveals the anticipation of a boy who, having planted seeds while everything around is brown, fears that something has gone wrong until, at last, the world turns green. By the Caldecott-winning artist of A Sick Day for Amos McGee.

I Need a New Bum! *Scholastic*

The book behind the viral internet sensation of "The Scottish Granny" reading this story to her grandchild.A young boy suddenly notices a big problem - his bum has a huge crack! So he sets off to find a new one. Will he choose an armor-plated bum? A rocket bum? A robot bum? Find out in this silly, quirky tale with hilarious illustrations. Children and parents will love this book - no ifs, ands, or butts about it! "I can assure you right now that your kids will love this book. They will giggle, they will laugh, and they will want this book to be read over and over again because it is just plain silly and funny ... the perfect kid-combo."Storywraps

The Girl With Two Names

A Novel *Gerard O'Neill Books*

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to have a perfect life. Fame, fortune, and a celebrity marriage... but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband's family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an important aspect of the story. _____ Four out of four stars! - Official Review, Online Book Club

Parched

Vampire Romantic Fantasy *Z.L. Arkadie Books*

A New York ad exec falls in love with a vampire, which changes her life forever.

No One Belongs Here More Than You

Stories *Simon and Schuster*

Presents a collection of short works featuring sympathetic protagonists whose inherent sensitivities render them particularly vulnerable to unexpected events.

The Inner Shrine

And Then There Was Me

A Novel of Friendship, Secrets and Lies *Thomas Dunne Books*

Bea and Awilda have been best friends from the moment Awilda threw her fourteen year-old self across Bea’s twin-sized bed as if they had known each other forever. Bubbly, adventurous Awilda taught sheltered, shy Bea how to dress, wear her hair and what to do with boys. She even introduced Bea to her husband, Lonnie, in college, who pledged to take good care of her for the rest of their lives. But philanderer Lonnie breaks that promise over and over again, leaving Bea to wrestle with her self-esteem and long time secret addiction. Recently Lonnie has plopped the family in a New

Jersey upper class suburb, which lacks the diversity that Bea craves but has the school district and zip code envy that Lonnie wants. The demands of carrying a third child and fitting into this new environment while pretending that her husband is not cheating on her again, is more than she can handle. And just when she thinks things can't get any worst, the ultimate deception snaps the little thread that was holding her life together and all comes tumbling down. Sadeqa Johnson's And Then There Was Me is the story of love and friendship, heartache and betrayal. It's the journey of a woman stripped down to her lowest point and needing to find the will to press on.

The Hedgehog and the Fox

An Essay on Tolstoy's View of History - Second Edition *Princeton University Press*
"The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to War and Peace. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central, all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram.

This Book Is for You

I Hope You Find It Mildly Uplifting *Ten Speed Press*
Beloved artist Worry Lines shares a sweetly funny and deeply relatable illustrated story about hope, worry, and chocolate chip cookies. Worry Lines has captured hearts around the world by posting daily drawings on Instagram. In this book, Worry Lines interweaves these fan-favorites into an entirely new story about the making of the book itself. Charting the creative process from its anxiety-riddled beginning to its (hopefully) hopeful end, This Book Is for You is a charming and honest portrait of worry. This book is for you if you are: 1. A Brave Worrier (BW) 2. An Absolute Legend (AL) 3. Anywhere from Mildly Concerned About Something (MCAS) to Deeply Anxious About Everything (DAAE)

To Err Is Human

Building a Safer Health System *National Academies Press*
Experts estimate that as many as 98,000 people die in any given year from medical errors that occur in hospitals. That's more than die from motor vehicle accidents, breast cancer, or AIDS--three causes that receive far more public attention. Indeed, more people die annually from medication errors than from workplace injuries. Add the financial cost to the human tragedy, and medical error easily rises to the top ranks of urgent, widespread public problems. To Err Is Human breaks the silence that has surrounded medical errors and their consequence--but not by pointing fingers at caring health care professionals who make honest mistakes. After all, to err is human. Instead, this book sets forth a national agenda--with state and local implications--for reducing medical errors and improving patient safety through the design of a safer health system. This volume reveals the often startling statistics of medical error and the disparity between the incidence of error and public perception of it, given many patients' expectations that the medical profession always performs perfectly. A careful examination is made of how the surrounding forces of legislation, regulation, and market activity influence the quality of care provided by health care organizations and then looks at their handling of medical mistakes. Using a detailed case study, the book reviews the current understanding of why these mistakes happen. A key theme is that legitimate liability concerns discourage reporting of errors--which begs the question, "How can we learn from our mistakes?" Balancing regulatory versus market-based initiatives and public versus private efforts, the Institute of Medicine presents wide-ranging recommendations for improving patient safety, in the areas of leadership, improved data collection and analysis, and development of effective systems at the level of direct patient care. To Err Is Human asserts that the problem is not bad people in health care--it is that good people are working in bad systems that need to be made safer. Comprehensive and straightforward, this book offers a clear prescription for raising the level of patient safety in American health care. It also explains how patients themselves can influence the quality of care that they receive once they check into the hospital. This book will be vitally important to federal, state, and local health policy makers and regulators, health professional licensing officials, hospital administrators, medical educators and students, health caregivers, health journalists, patient advocates--as well as patients themselves. First in a series of publications from the Quality of Health Care in America, a project initiated by the Institute of Medicine

That Was Then, This Is Now

Just the Beginning *Xlibris Corporation*
That Was Then This Is Now; is a book that is basically about my trials and tribulations through mid-high school, teen years; and all the way up to now; as a young adult. It describes my life situation in general. This book deals with depression, darkness, spirituality, love, drama, hope and encouragement. I pray that it will uplift peoples lives and give them the perseverance that they need to cope with any personal issues in their life. I want it to aspire or inspire people like me and in general. I just want to make a difference in someones life. I want to cause a reaction in other lives;

like the movie Pay it forward.

That Was Then, This Is Now *Penguin*
Sixteen-year-olds Mark and Bryon have been like brothers since childhood, but now, as their involvement with girls, gangs, and drugs increases, their relationship seems to gradually disintegrate.

That Was Then This Is Now *Thy Word Publishing*
HOW COULD GOD HAVE A PURPOSE FOR ME AMIDST THIS MESS? WHY DO SUCH BAD THINGS HAPPEN TO GOOD PEOPLE?If you've recently asked yourself these questions, Paulette Harper's That Was Then, This is Now has the answers. Struggling to recover from a broken marriage and disappointed dreams, Paulette Harper gropes for meaning and understanding. And through her searching, God reveals Himself to her in ways she never before imagined possible. By sharing her struggles with transparency, she illustrates how a heart attitude of surrender allows God to use a broken vessel for His ultimate plans of glory. That Was Then, This is Now, minsters to hurting hearts in every season in life, reminding them that God restores shattered lives, intent on using them for His sovereign purposes.

That Was Then, This Is Now

Contemporary Archaeology and Material Cultures in Australia *Cambridge Scholars Publishing*
That Was Then, This Is Now is a compendium of innovative research into the ideas, experiences, and iconographies embodied in materialities of the recent past. Drawing upon a variety of disciplines, including archaeology, history, art, and cultural geography, authors examine themes of relevance to the contemporary world, such as the impacts of automobility, the invisible effects of radioactivity, and the scale of future cities. It serves as a reminder, moreover, that issues that confront us as global citizens – mass consumption, population growth, technological development, and the conditions of belonging – find expression in the everyday objects, images and vestiges encountered in our ordinary lives. Through their examination of such artefacts as comic books, road memorials, bullet holes, showbags and cable ties, the authors explore the complex relations between people, places, and things and the emotions underpinning them – nostalgia, play, grief, and humour. Issues and ideas of international scope are addressed through a focused approach as authors locate their site-specific studies in both rural and urban geographies, as well as in the spaces of the imagination, the universe and even the personal home. Given the enormous scale and diversity of material generated by the practices of living in the present, it is difficult to imagine how the archaeologies and material cultures of the contemporary world may be defined. The studies presented here offer a way forward, and, in doing so, point reflexively to the past, as well as the now and the future of things to come.

A Study Guide for S. E. Hinton's "That Was Then, This Is Now" *Gale, Cengage Learning*
A Study Guide for S. E. Hinton's "That Was Then, This Is Now," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. That Was Then...

Kim: Book 4 *Multnomah*
This Is Now It's Kim's senior year and, while everyone's looking forward to graduation, she's got so much going on she can barely make it through the day. Natalie, pregnant with Benjamin O'Conner's baby, believes it's God's will for them to marry, and Ben sees it as his Christian responsibility to do so. Major red flag? He doesn't love her. Then--surprise! Kim's birth mother in Korea sends her an intriguing letter, making Kim question her reluctance to get to know another "mom." And what about Maya? Is God calling Kim and her father to open their hearts and home to Kim's biracial cousin whose mother was just sentenced to five years in state prison? Kim has been through so much already, but that was then ... Does she have enough faith for now? Saturday, November 11 I've talked to Nat twice this week. But only on the phone. Both times she just glossed over what happened last weekend. She told me everything was "fine." But without any details. It was the kind of reassurance that isn't reassuring at all. I know she's covering something up. That was then...Kim Peterson has had a lot going on the past few years: writing a teen advice column, finding a new faith, dating and breaking up for the first time, losing her mom to cancer...Kim has learned to turn it all over to God day by day, relying on Him like she never has before. Now Kim's best friend, Nat, is pregnant and soon to be married to Ben O'Conner, Caitlin's younger brother. Nat is starry-eyed, believing that once she and Ben are married, God will bless them and everything will work out because they're doing the right thing. Kim's not so sure. Is marriage the only solution for two seventeen-year-olds with a baby on the way? Why won't they consider adoption? Kim knows about that firsthand--and is about to find out even more... Reader's guide included Story Behind the Book "In book four, Kim's life is still shadowed by the loss of her mother, but her faith is deepening. My best friend lost her mother to cancer in high school, and I was very involved in counseling, encouraging, and praying with my friend as she worked through her grief. That experience helped me write Kim's story from an insider's perspective." – Melody Carlson

Connected Strategy

Building Continuous Customer Relationships for Competitive Advantage *Harvard Business Press*
Business Models for Transforming Customer Relationships What if there were a way to turn occasional, sporadic transactions with customers into long-term, continuous relationships--while simultaneously driving dramatic improvements in operational efficiency? What if you could break your

existing trade-offs between superior customer experience and low cost? This is the promise of a connected strategy. New forms of connectivity--involving frequent, low-friction, customized interactions--mean that companies can now anticipate customer needs as they arise, or even before. Simultaneously, enabled by these technologies, companies can create new business models that deliver more value to customers. Connected strategies are win-win: Customers get a dramatically improved experience, while companies boost operational efficiency. In this book, strategy and operations experts Nicolaj Siggelkow and Christian Terwiesch reveal the emergence of connected strategies as a new source of competitive advantage. With in-depth examples from companies operating in industries such as healthcare, financial services, mobility, retail, entertainment, nonprofit, and education, Connected Strategy identifies the four pathways--respond-to-desire, curated offering, coach behavior, and automatic execution--for turning episodic interactions into continuous relationships. The authors show how each pathway creates a competitive advantage, then guide you through the critical decisions for creating and implementing your own connected strategies. Whether you're trying to revitalize strategy in an established company or disrupt an industry as a startup, this book will help you: Reshape your connections with your customers Find new ways to connect with existing suppliers while also activating new sources of capacity Create the right revenue model Make the best technology choices to support your strategy Integrating rich examples, how-to advice, and practical tools in the form of "workshop chapters" throughout, this book is the ultimate resource for creating competitive advantage through connected relationships with your customers and redefined connections in your industry.

That Was Now, This Is Then

Poems

The brilliant new collection from Vijay Seshadri, author of the Pulitzer Prize-winning 3 Sections No one blends ironic intelligence, emotional frankness, radical self-awareness, and complex humor the way Vijay Seshadri does. In this, his fourth collection, he affirms his place as one of America's greatest living poets. That Was Now, This Is Then takes on the planar paradoxes of time and space, destabilizing highly tuned lyrics and elegies with dizzying turns in poems of unrequitable longing, of longing for longing, of longing to be found, of grief. In these poems, Seshadri's speaker becomes the subject, the reader becomes the writer, and the multiplying refracted narratives yield an "anguish so pure it almost / feels like joy."

They Thought They Were Free

The Germans, 1933–45 University of Chicago Press

“When this book was first published it received some attention from the critics but none at all from the public. Nazism was finished in the bunker in Berlin and its death warrant signed on the bench at Nuremberg.” That’s Milton Mayer, writing in a foreword to the 1966 edition of They Thought They Were Free. He’s right about the critics: the book was a finalist for the National Book Award in 1956. General readers may have been slower to take notice, but over time they did—what we’ve seen over decades is that any time people, across the political spectrum, start to feel that freedom is threatened, the book experiences a ripple of word-of-mouth interest. And that interest has never been more prominent or potent than what we’ve seen in the past year. They Thought They Were Free is an eloquent and provocative examination of the development of fascism in Germany. Mayer’s book is a study of ten Germans and their lives from 1933-45, based on interviews he conducted after the war when he lived in Germany. Mayer had a position as a research professor at the University of Frankfurt and lived in a nearby small Hessian town which he disguised with the name “Kronenberg.” “These ten men were not men of distinction,” Mayer noted, but they had been members of the Nazi Party; Mayer wanted to discover what had made them Nazis. His discussions with them of Nazism, the rise of the Reich, and mass complicity with evil became the backbone of this book, an indictment of the ordinary German that is all the more powerful for its refusal to let the rest of us pretend that our moment, our society, our country are fundamentally immune. A new foreword to this edition by eminent historian of the Reich Richard J. Evans puts the book in historical and contemporary context. We live in an age of fervid politics and hyperbolic rhetoric. They Thought They Were Free cuts through that, revealing instead the slow, quiet accretions of change, complicity, and abdication of moral authority that quietly mark the rise of evil.

Work! Work!! Work!!!

Then You Die Createspace Independent Publishing Platform

Atheist, born in 1965 in the town of Kalgoorlie 300 miles east of the lovely although very insular city of Perth in the great nepotic, 'crony's only', 'British, Christian & loyal to the Queen & Mining forever' state of Western Australia. "Books that are sooo bad, -they good!!" And many do love reading them just too damned ashamed to admit it lol! A short novella situated in and around the rather disrupted working life of one Cal.Tennnyson. Laced with many diverse stories both amusing and dramatic related to Cal's life as a member of the working class. "Well told if not a little Wild & Reckless, but still an unrivalled working class story/memoir at its very core. That is undeniable" -Alan Stone book reviewer for The London Times Review

Undisclosed (Undisclosed, Book 1) Createspace Independent Pub

Seven billion people on earth; it was only a matter of time before you discovered the truth. Your legends--your myths and religions--have called us by many names. Since the beginning, our kind has walked among you as your protectors. We are the only ones who know who you are and why you are here. He wasn't meant to disappear; you weren't meant to know why. Our objective was clear: hunt them, kill them and leave. Once you know, there will be no going back. They will come for you. Are you ready?

Entanglement Burning Ember Press

In a world like ours, humans are born in pairs. When a newborn boy takes his first breath in the coastal town of Tularosa, the exact time is noted, recorded in the Registry, and later compared to the birth times of other newborns around the globe. There will be one identical match—his half. They will meet on their eighteenth birthday and they will spend their lives together. Except this time, there is no match.

Unspoken Memories Gabbie S.lDuran

She awoke with no memory of who she was, but one clue will lead her to him... Abigail Adams had it all, she's a gorgeous supermodel, has a wealthy fiancé, and a career on the rise. But that quickly changes when she wakes up in the hospital not remembering anything. The only memories she does have are not her own, but of a total stranger. When Abigail discovers that her fiancé has been cheating on her, she leaves him and runs to the arms of the one man she is hoping will give her the answers she seeks. Matt Garcia is used to playing the field, keeping his heart guarded, but then Abigail Adams unexpectedly shows up at his door hoping he will be the answer she is looking for. Will he finally learn to take a break from his no strings attached lifestyle and show her that she doesn't need her past, but the future he is willing to offer her? With every unspoken memory she regains, will she learn to open up her heart to a total stranger, or will she keep it guarded like he does? New Adult Contemporary Romance: Due to strong language and sexual content, not intended for readers under the age of 18.

Tempering the Rose

The Rose of Nerine Fantasy Series Createspace Independent Publishing Platform

A dark epic fantasy series, where one woman's thirst for revenge and struggle with her inner demons will put the entire world in jeopardy. The only thing twenty-one year old Adrastine wants is revenge against her depraved father-but when she tries to kill him, she is caught and thrown into a holy war for a god she doesn't believe in. But disaster is coming, and all Adrastine's problems will seem minor by comparison. Someone, or something, is draining the planet's lifeblood, killing the land and everything on it at an alarming rate. Jacob is a shelon, a man who can wield magic, and a spy dispatched by Queen Valtice to find The Rose of Nerine - the only one who can stop the rape of the land and save the people. But when Jacob finds Adrastine, he can't convince her that she is The Rose, let alone to leave her home and journey with him across the tempestuous sea to Nerine. Adrastine is drawn to Jacob, despite their differences. But that is a dangerous path, as he is an unwelcome distraction to her quest for revenge. And if she learns his secrets, it will cement her hatred of men forever, weakening powers she is only just learning she has, powers needed to save their world.

The Smartest Girl in the Room Createspace Independent Publishing Platform

Nineteen year old Emily wants her college diploma fast, and she's going to get it. But when the perfect night with perfect Mitch leads her to a broken heart, Emily is blind to her vulnerability. When the person she cares about the most is hurt as a result, Emily's ambition gives way to more than a little ruthlessness. She's going to use her smarts to take care of herself and protect the people she loves, and everyone else had better stay out of her way. But shouldn't the smartest girl everyone knows realize that the ones she'd cross the line for would do the same for her? The Smartest Girl In The Room is Book One in The New Pioneers series.

That Was Then

A Second Chance Romance

When a second chance at love tested every resolve of my heart, the line between "chance" and fate blurred...Cassidy Masters I hadn't seen Bronson Maxwell since a near-fatal car accident sent our college relationship, and our lives on a detour. That didn't mean I put him out of my mind, though, especially since I started working for his family's vast corporation without their knowledge.Bronson MaxwellI should have been hitting home runs for a living, but thanks to the accident, that dream was no longer an option. Imagine my surprise when I moved back from London to take over at the helm of the family business, to discover Cassidy worked down the hall. The woman involved in the worst night of my life was now invading my thoughts more than I cared to admit.Despite Cassidy's efforts at avoiding him, Bronson's less-than-subtle advances work their magic, rekindling old flames. To make matters complicated, they must overcome incessant meddling from co-workers, friends, and family. Bronson's mother hires a matchmaker to find him a wife, while the VP of the company has developed a fatal attraction to him. Cassidy's friend decides he'll compete for her affections, while none of Cassidy's roommates will follow her plan for their lives. It all culminates in one hilarious night where Cassidy realizes the only happiness she can control is her own-with Bronson.Do they have another shot at the love they thought they'd lost? Not everyone believes in second chances, but for Cassidy Masters and Bronson Maxwell, has fate left anything to chance?Enjoy Cassidy's adventures in this often-humorous romance that will satisfy, with steamy bits that stop at the bedroom door and a happily ever after. That Was Then is a standalone but interconnected with the Fated Loves series.

This Is Then, That Was Now

A Sketchbook Memoir

Resurrection

From USA Today bestselling author, A.M. Hargrove, comes Resurrection, Book 2, in The Guardians of Vesturon Series. Rayn Yarrister, the first-born son and Leader of The Guardians, has been imprisoned on Vesturon for breaking their most sacred of covenants. He is suddenly jolted by Maddie's telepathic pleas for help, as her life hangs in the balance. Can he alert The Guardians in time to save his soulmate? Or will he face his trial alone and broken without his one true love? In Resurrection, The Guardians of Vesturon face their biggest challenges as Earth is threatened by an invading species from a distant planet intent on destroying it for its resources. As protectors of the universe, The Guardians have been assembled to defend not only Earth, but other vulnerable worlds as well. Not only that, an unknown entity is intent on discrediting the Yarrister family. Will they uncover this plot in time to save themselves from ruin? Will The Guardians succeed in stopping the Xanthians, or will Earth be invaded and ravaged by this marauding species?Resurrection, the continuation of Survival is a young adult/new adult clean romance, the second book in A.M. Hargrove's the Guardians of Vesturon Series. It's a blend of fantasy, sci-fi, and paranormal fiction, featuring suspense, surprising plot twists, and a mix of amazing characters that will keep you turning the pages. If you like raw emotion, unusual settings, and adventure, then start reading this series today.*Author's Note: This is the second edition of this novel. It was first published in 2012.

More Than a Game *Createspace Independent Publishing Platform*

Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

The First Book of Moses, Called Genesis

Authorized King James Version *Grove/Atlantic, Inc.*

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
