The Last Crusader

Ignatius Press

Don Juan of Austria, one of history's most triumphant and inspiring heroes, is reborn in this opulent novel by Louis de Wohl. Because of the circumstances of his birth, this last son of Emperor Charles the Fifth spent his childhood in a Spanish peasant's hut. Acknowledged by King Philip as his half-

brother, the attractive youth quickly became a central figure in a Court where intrigues and romances abounded. Don Juan's intelligence, kindness and devout attachment to the Church enabled him to live in an environment of unscathed luxury, violence and treachery. De Wohl paints in brilliant color scenes at the Court of King Philip, Juan's campaign against barbaric Moriscos in Andalusia and the climatic victory at Lepanto where he saved the Christian world from Islamic dominance. The Last Crusader abounds in vivid scenes and characters. Who can forget the sadistic nature of the Prince of Asturias, the spirituality of Fray Juan de Calahorra, the

scheming of beautiful Princess Ana of Eboli, the barbaric siege of Malta, or Emperor Charles the Fifth waiting for death, in his stygian throne room? Here is a novel of high adventure which brings to life the turbulence of the sixteenth century with its extremities of the wickedness and piety, its sins of pride and conquest, its seething heresies. With his strong talent for exciting historical narrative, Louis de Wohl adds another great dynamic novel to his already lustrous career.

The Sons of Westwood

John Wooden, UCLA, and the Dynasty That Changed College Basketball
University of Illinois Press

For more than a decade, the UCLA dynasty defined college basketball. In twelve seasons from 1964 to 1975, John Wooden's teams won

ten national titles, including seven consecutive championships. The Bruins made history by breaking numerous records, but they also rose to prominence during a turbulent age of political unrest and youthful liberation. When Lew Alcindor and Bill Walton--the most famous college basketball players of their generation--spoke out against racism, poverty, and the Vietnam War, they carved out a new role for athletes, casting their actions on and off the court in a political light. The Sons of Westwood tells the story of the most significant college basketball program at a pivotal period in American cultural history. It weaves together a story of

sports and politics in an era of social and cultural upheaval, a time when college students and college athletes joined the civil rights movement, demonstrated against the Vietnam War, and rejected the dominant Cold War culture. This is the story of America's culture wars played out on the basketball court by some of college basketball's most famous players and its most memorable coach.

The Robe

The Robe is a 1942 historical novel about the Crucifixion of Jesus written by Lloyd C. Douglas. The book was one of the best-selling titles of the 1940s. It entered the New York

Times Best Seller list in October 1942, and four weeks later rose to No. 1. It held the position for nearly a year. The Robe remained on the list for another two years, returning several other times over the next several years including when the film adaptation (featuring Richard Burton in an early role) was released in 1953. Lloyd C. Douglas began his literary career after leaving the ministry at the age of 52. Robe. Hazel McCann, a department store clerk from Ohio, wrote to Douglas asking what he thought had happened to Christ's garments after the crucifixion. Douglas immediately began working on a novel based on this concept, sending each chapter to McCann as he finished it. Douglas and McCann finally met in 1941, and it is to her that Douglas has dedicated the book. The book explores the aftermath of the crucifixion of Jesus through the experiences of the Roman tribune Marcellus Gallio and his Greek slave Demetrius. Prince Gaius, in an effort to rid Rome of Marcellus, banishes Marcellus to the command of the Roman garrison at

Minoa, a port city in southern Palestine. In Jerusalem during Passover, Marcellus ends up carrying out the crucifixion of Jesus, but is troubled since he believes Jesus to be innocent of any crime. Marcellus and some other soldiers throw dice to see who will take Jesus' seamless robe. Marcellus wins and asks Demetrius to take care of the robe. Following the crucifixion, Marcellus takes part in a banquet attended by Pontius Pilate. During the banquet, a drunken centurion insists that Marcellus wear Jesus' robe; reluctantly wearing the garment, Marcellus apparently suffers a nervous breakdown and returns to Rome.
