Cather Studies 6 is part of a growing body of scholarship that seeks to undo Willa Cather's longstanding reputation as a writer who remained aloof from the cultural issues of her day. This chronologically arranged collection demonstrates that Cather found the subject of war both unavoidable, because of her position in history, and artistically irresistible.

Steven Trout's engrossing *History, Memory, and War*, volume 6 of the acclaimed Cather Studies series, is a collection of essays showing how pervasively war appears in Cather's works: the "sheer number of armed conflicts evoked in her fiction is perhaps unprecedented in American literature." Trout's wide-ranging volume shows "the ubiquity of armed conflict . . . as a major

theme or as a background feature in Cather's writing" as well as showing that she personally "thought of war on a regular ...
