The position papers linked below demonstrate both the format and content of well-crafted position papers for AMUN. They were taken from actual position papers from past AMUN conferences, though the delegation names have been removed. Your delegation's name will be included on the papers you submit to the 2021 AMUN Conference. Each delegation should submit one complete position paper that covers all of the committees and topics for their delegation.

Sample Position Papers - AMUN

Cell phones are a distraction in classrooms and have no place there. I support rules banning their use—by students and staff—in the classroom. But cell phones should not be banned from students' possession entirely, because that is, in effect, not allowing students to have cell phones while traveling to and from school.

Cell phones should not be allowed in schools Free Essay ...

This paper explores the evolution of the smart phone into a potentially powerful learning tool by providing a literature review on smart phone's use in higher education, and lays a foundation for future research that examines the digital gap between teacher and student related to knowledge and use of smart phone in an existing university setting because through observation the author speculates that gap exists, especially within the classroom context.
