The Complete Short Stories of Thomas Wolfe - - Anobii

The stories are good lengths, not too long but not too short! Luckily I brought this at only £30 on a lightening deal instead of £150! I wouldn't recommend buying for £150 if your child is heavy handed as the books aren't hardback and can quite easily tear the pages out (this hasn't happened but it easily could) But 100% perfect for Thomas fans!
