SAMOVAR | definition in the Cambridge English Dictionary

The samovar was a Russian invention of the mid-18th century that has become appreciated as an art object today. Many types—made from red, yellow, and green copper, silver, iron, and Tula steel—were available by the second half of the 19th century. There were chimneyless samovars for coffee, dual samovars for coffee and tea, travelling samovars with screw-on legs and handles positioned ...
