Doing it right involves developing differentiated tasks.It means translating criteria so students can ...

How to Fix 5 Common Formative Assessment Problems Teachers ...

Summary. Summative assessment is almost an everyday topic of discussion. All teachers assess student learning; always in a “summative” way and almost always in a “formative” way. For many, summative assessment is the assessment that “counts,” and formative assessment is the one that “does not count.”. This literature review might seem outdated to some, because almost all the texts that deal with learning assessment are explicitly or implicitly rooted in summative assessment.
