NC DHSR ACLS: Medication Testing Information

This area of study, Medications, makes up roughly 40% of the test questions. That is nearly half, so you need to be very well prepared for questions on the concepts in this study guide. The questions on Medications are mostly taken from the old test's Pharmacology area, but also include a few concepts that were in the Sterile and Non-Sterile Compounding and Inventory Management areas of the old test.

Page 1 of the Medications Study Guide for the PTCB Exam

It was 600+ pages, way too in depth about each medication in each class and their practice questions were much harder than anything you'll see on the test. I had a week to study and I used the book that came with my Kaplan NCLEX prep course book and skimmed the medication chapters in Saunders Comprehensive review.
