Natural law (Latin: ius naturale, lex naturalis) is a system of law based on a close observation of human nature, and based on values intrinsic to human nature that can be deduced and applied independent of positive law (the enacted laws of a state or society).

Natural law - Wikipedia

Natural law is a philosophy based on the idea that everyone in a given society shares the same idea of what constitutes "right" and "wrong." Further, natural law assumes that all people want to live "good and innocent" lives. Thus, natural law can also be thought of as the basis of "morality."
