Every Day Is for the Thief

Fiction *Random House*

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY DWIGHT GARNER, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle | NPR | The Root | The Telegraph | The Globe and Mail NATIONAL BESTSELLER • FINALIST, PHILLIS WHEATLEY BOOK AWARD • TEJU COLE WAS NAMED ONE OF THE MOST INFLUENTIAL AFRICANS OF THE YEAR BY NEW AFRICAN MAGAZINE For readers of Chimamanda Ngozi Adichie and Michael Ondaatje, *Every Day Is for the Thief* is a wholly original work of fiction by Teju Cole, whose critically acclaimed debut, *Open City*, was the winner of the PEN/Hemingway Award and a finalist for the National Book Critics Circle Award, and was named one of the best books of the year by more than twenty publications. Fifteen years is a long time to be away from home. It feels longer still because I left under a cloud. A young Nigerian living in New York City goes home to Lagos for a short visit, finding a city both familiar and strange. In a city dense with story, the unnamed narrator moves through a mosaic of life, hoping to find inspiration for his own. He witnesses the “yahoo yahoo” diligently perpetrating email frauds from an Internet café, longs after a mysterious woman reading on a public bus who disembarks and disappears into a bookless crowd, and recalls the tragic fate of an eleven-year-old boy accused of stealing at a local market. Along the way, the man reconnects with old friends, a former girlfriend, and extended family, taps into the energies of Lagos life—creative, malevolent, ambiguous—and slowly begins to reconcile the profound changes that have taken place in his country and the truth about himself. In spare, precise prose that sees humanity everywhere, interwoven with original photos by the author, *Every Day Is for the Thief*—originally published in Nigeria in 2007—is a wholly original work of fiction. This revised and updated edition is the first version of this unique book to be made available outside Africa. You’ve never read a book like *Every Day Is for the Thief* because no one writes like Teju Cole. Praise for *Every Day Is for the Thief* “A luminous rumination on storytelling and place, exile and return . . . extraordinary.”—San Francisco Chronicle “Cole is following in a long tradition of writerly walkers who, in the tradition of Baudelaire, make their way through urban spaces on foot and take their time doing so. Like Alfred Kazin, Joseph Mitchell, J. M. Coetzee, and W. G. Sebald (with whom he is often compared), Cole adds to the literature in his own zeitgeisty fashion.”—The Boston Globe

Clive Barker's The Thief of Always #3 *IDW Publishing*

Harvey and Wendell return to the Holiday House in order to set things right, but Mr. Hood has other plans for them.

The Mirror Thief *Melville House*

A globetrotting, time-bending, wildly entertaining masterpiece hailed by the New York Times Book Review as “Audaciously well written...the book I was raving about to my friends before I'd even finished it.” Publishers Weekly raved that “with near-universal appeal . . . Seay’s debut novel is a true delight, a big, beautiful cabinet of wonders that is by turns an ominous modern thriller, a supernatural mystery, and an enchanting historical adventure story.” Set in three cities in three eras, *The Mirror Thief* calls to mind David Mitchell and Umberto Eco in its mix of entertainment and literary bravado. The core story is set in Venice in the sixteenth century, when the famed makers of Venetian glass were perfecting one of the old world's most wondrous inventions: the mirror. An object of glittering yet fearful fascination—was it reflecting simple reality, or something more spiritually revealing?—the Venetian mirrors were state of the art technology, and subject to industrial espionage by desirous sultans and royals world-wide. But for any of the development team to leave the island was a crime punishable by death. One man, however—a world-weary war hero with nothing to lose—has a scheme he thinks will allow him to outwit the city's terrifying enforcers of the edict, the ominous Council of Ten . . . Meanwhile, in two other Venices—Venice Beach, California, circa 1958, and the Venice casino in Las Vegas, circa today—two other schemers launch similarly dangerous plans to get away with a secret . . . All three stories will weave together into a spell-binding tour-de-force that is impossible to put down—an old-fashioned, stay-up-all-night novel that, in the end, returns the reader to a stunning conclusion in the original Venice . . . and the bedazzled sense of having read a truly original and thrilling work of art.

Portrait of a Thief

A Novel *Penguin*

Named A Most Anticipated Book of 2022 by *Marie Claire* *Vulture* *NBC News* *Buzzfeed* *Veranda* *PopSugar* *Paste* *The Millions* *Medium* *Crimereads* Goodreads* *Bookbub* *Boston.com* and more! Ocean's Eleven meets The Farewell in *Portrait of a Thief*, a lush, lyrical heist novel inspired by the true story of Chinese art vanishing from Western museums; about diaspora, the colonization of art, and the complexity of the Chinese American identity. History is told by the conquerors. Across the Western world, museums display the spoils of war, of conquest, of

colonialism: priceless pieces of art looted from other countries, kept even now. Will Chen plans to steal them back. A senior at Harvard, Will fits comfortably in his carefully curated roles: a perfect student, an art history major and sometimes artist, the eldest son who has always been his parents' American Dream. But when a mysterious Chinese benefactor reaches out with an impossible—and illegal—job offer, Will finds himself something else as well: the leader of a heist to steal back five priceless Chinese sculptures, looted from Beijing centuries ago. His crew is every heist archetype one can imagine—or at least, the closest he can get. A con artist: Irene Chen, a public policy major at Duke who can talk her way out of anything. A thief: Daniel Liang, a premed student with steady hands just as capable of lockpicking as suturing. A getaway driver: Lily Wu, an engineering major who races cars in her free time. A hacker: Alex Huang, an MIT dropout turned Silicon Valley software engineer. Each member of his crew has their own complicated relationship with China and the identity they've cultivated as Chinese Americans, but when Will asks, none of them can turn him down. Because if they succeed? They earn fifty million dollars—and a chance to make history. But if they fail, it will mean not just the loss of everything they've dreamed for themselves but yet another thwarted attempt to take back what colonialism has stolen. Rescued by the mysterious Mieli and her flirtatious spacecraft, Jean is taken to the Oubliette, the Moving City of Mars, where time is currency, memories are treasures, and a moon-turnedsingularity lights the night. What Mieli offers is the chance to win back his freedom and the powers of his old self-in exchange for finishing the one heist he never quite managed. As Jean undertakes a series of capers on behalf of Mieli and her mysterious masters, elsewhere in the Oubliette investigator Isidore Beautrelet is called in to investigate the murder of a chocolatier, and finds himself on the trail of an arch-criminal, a man named le Flambeur.... Hannu Rajaniemi's The Quantum Thief is a crazy joyride through the solar system several centuries hence, a world of marching cities, ubiquitous public-key encryption, people communicating by sharing memories, and a race of hyper-advanced humans who originated as MMORPG guild members. The Thief On The Cross

Page Publishing Inc

They call me Sundown; this is my life story. I was a miracle baby who grew up to become one of the longest active members and leader of one of the nation's bloodiest prison gangs and criminal organizations, La Nuestra Familia. It began inside the California prison walls and spread to the streets of California and America, the land of the free and the home of the brave and of bloody men like me who were baptized in the blood and fed from the table of bloody men, taught in the knowledge and ways of tried and proven warriors who have been to hell and back again. Home of murderers and thieves who dared to believe that we could become something and somebody, not just inside of California prison walls, but even reaching out into the very streets and society from which we had been sentenced to be forgotten by the rest of the world. But we were men who refused to be forgotten, and with the blood of our enemies, we would carve our names upon the pages of criminal history. And we did. I deserved to be crucified for the blood that stained my whole life and the crimes I've committed and the evil I had done. Like that one thief on the cross next to Jesus who found grace in God's eyes, God remembered me too, and now I am trying to live my life as an instrument of God's mercy to men who are as I used to be—murderers, thieves, and organized gangsters. This book was written raw, just as it was lived.
