The Politics of Liberal Education on Apple Books

It is precisely because politics is an art which encompasses all others in practical life, that political issues of the moment must be distanced from a liberal education. In other words, wise rulers will be ones who have studied the academic disciplines in a relatively disinterested way (in an “academic” way), so that when they practice the art of politics they will be guided by a principled, philosophical understanding of human beings and their world, not by the hot doctrines of the moment.

Abstract. Despite its ideological saturation, recent neo-liberal education policy has been deeply depoliticising in the sense of reducing properly political concerns to matters of technical efficiency. This depoliticisation is reflected in the hegemony of a managerial discourse and the decontestation of terms like ‘quality’ and ‘effectiveness’, as well as in the apparent consensus around the necessity of particular practices, such as the adoption of ‘standards’ and the ...
