Judicial review guidance: England and Wales

Judicial review. Judicial review is a type of court proceeding in which a judge

reviews the lawfulness of a decision or action made by a public body. In other words, judicial reviews are a challenge to the way in which a decision has been made, rather than the rights and wrongs of the conclusion reached. It is not really concerned with the conclusions of that process and whether those were 'right', as long as the right procedures have been followed.
