The goal of academic writing is to convey complex ideas in a clear, concise manner. Don't muddy the meaning of your argument by using confusing language. If you find yourself writing a sentence over 25 words long, try to divide it into two or three separate sentences for improved readability. A vague or missing thesis statement. The thesis statement is the single most important sentence in any academic paper.

Academic writing or scholarly writing is nonfiction writing produced as part of academic work. Writing that reports on university research, writing produced by university students, and writing in which scholars analyze culture or propose new theories are all sometimes described as academic writing. Though the tone, style, content, and organization of academic writing vary across genres and across publication methods, nearly all academic writing shares a relatively formal prose register and frequ
