The Human Condition Hannah Arendt

The Human Condition, first published in 1958, is Hannah Arendt's account of how "human activities" should be and have been understood throughout Western history. Arendt is interested in the vita activa as contrasted with the vita contemplativa and concerned that the debate over the relative status of the two has blinded us to important insights about the vita activa and the way in which it has changed since ancient times. She distinguishes three sorts of activity and discusses how they have been

The Human Condition by Hannah Arendt - Goodreads

Hannah Arendt’s The Human Condition has too often been made small, picked over for Arendt’s conceptual analysis exploring labor, work, and action. So much attention has been focused on these chapters that we forget that The Human Condition is not principally a conceptual account; it is, first and foremost, a “historical analysis.” (6)
