Abstract. Education as Civic Engagement: Toward a More Democratic Society is a collection of ten essays examining education—mostly higher education— as civic engagement. These essays are the finest works of scholarship on education published over the last decade in JAC, an award-winning journal of rhetoric, politics, and culture.

**Introduction | SpringerLink**

“Inclusive quality education is one of the most powerful and important tools for achieving gender equality, active civic engagement and promoting girls’ inherent agency and leadership”, said Michelle Perrot, Advocacy and Youth Engagement Director at Plan International France.

**New publication: Generation equality begins with ...**

Simultaneous to this "crisis" in American higher education is the continued growth of the civic engagement movement on our campuses. Civic engagement is not, of course, a panacea for the ills

of higher education, but it can be part of the solution. There is evidence to suggest that the growth and sustained role of civic engagement on our individual campuses is institutionalized across higher education.
