The art of Europe, or Western art, encompasses the history of visual art in Europe. European prehistoric art started as mobile Upper Paleolithic rock and cave painting and petroglyph art and was characteristic of the period between the Paleolithic and the Iron Age. Written histories of European art often begin with the art of the Ancient Middle East and the Ancient Aegean civilizations, dating from the 3rd millennium BC.

Art of Europe - Wikipedia

Western painting is in general distinguished by its concentration on the representation of the human figure, whether in the heroic context of antiquity or the religious context of the early Christian and medieval world. The Renaissance extended this tradition through a close examination of the natural

world and an investigation of balance, harmony, and perspective in the visible world, linking painting to the developing sciences of anatomy and optics.

Western painting | art | Britannica

A History of Western Art begins by introducing readers to the discipline of art history by first asking and then answering the question "Why do we study the history of art?" I describe the human impulse to create art and consider why people the world over have made art for thousands of years. The Introduction surveys various ways art is ...

The history of art in the Americas begins in pre-Columbian times with Indigenous cultures. Art historians have focused particularly closely on Mesoamerica during this early era, because a series of stratified cultures arose there that erected grand architecture and produced objects of fine workmanship that are comparable to the arts of Western ...

History of art - Wikipedia

Western art history – or at least mainstream Western art history – really does very little to address the artistic traditions of non-Western countries. Many people find this perfectly acceptable, arguing

that Western art history is about Western countries and shouldn't have to address anything beyond that. For me, there are three problems with this point of view that should push us towards a more inclusive art historical mainstream.
