Early years practitioners play such a vital role in educating and supporting the learning and development in children’s crucial first years. Every child is different and will require different amounts of care and attention. Preschool teaching is about fulfilling children’s needs, helping them to learn to venture out of their comfort zone in becoming more independent and teaching them the basic skills of life. For a successful inclusive practice, teaching methods are vital to consider.

Your SEN Toolbox: Inclusive Practice For Every SEN Child ...

Your child’s relationships with you, other family members and carers – for example, early childhood educators – are the foundation for your child’s healthy learning and development. Lots of time spent playing and interacting with you and others helps your child learn the skills he needs for life – like communicating, thinking, problem-solving, moving and being with other people.

Every Child Can LearnUsing learning tools and play to help children with Developmental Delay. Every Child Can Learn. Based on the authors' own clinical practice and extensive experience in the field, this book is a creative and flexible aid to helping children with learning difficulties. Their accessible and positive approach, 'Functional Learning', focuses on helping children learn, children's potential, and what they can rather than cannot do.

Every Child Can Learn | SAGE Publications Ltd

Sometimes, though, your child may need some extra help from you to learn the necessary skills they'll need throughout their lives. For example, these skills can be learning to use a potty, how to wash and dress themselves, what not to touch, and where it's not safe to run. Tips for everyday life with kids

Teaching your child everyday skills - NHS

Tuning into children’s interests More and more emphasis is being placed on children’s interests, and this is something Ofsted will want to see being demonstrated in daily practice. As a practitioner may have a lot of key children and only one weekly planning sheet, it can often be difficult to include every child’s interests.
