An owner's manual is an instructional book or booklet that is supplied with almost all technologically advanced consumer products such as vehicles, home appliances and computer peripherals. Information contained in the owner's manual typically includes: Safety instructions; for liability reasons these can be extensive, often including warnings against performing operations that are ill-advised for product

longevity or overall user safety reasons. Assembly instructions; for products that arrive i

automatically whenever you shift into Reverse. See Rear View Camera on page 75.
