UPS AND DOWNS | meaning in the Cambridge English Dictionary

Two strokes from off the green to get into the hole equals up-and-down. Technically, you can use "up and down" to describe any two strokes that result in the ball going into the hole. But in common usage, "up and down" is almost exclusively applied to shots from just off the green and from

greenside bunkers, situations where using only two strokes to hole out is the most likely positive outcome.
