This is the fifth volume of Waid's turn on Daredevil, and I think his best TPB 'til now. In it the storyline of who's screwing with Daredevil gets resolved and in a very awesome way. In retrospect, thinking of everything that happened in some of the previous TPBs, who was behind it did make perfect sense. Hindsight is always 20/20 in comics.

Mark Waid and Chris Samnees run on Daredevil is different from the years and years of Daredevil comics before because for the most part it isnt constantly dark, tragic, and obsessed with kicking its hero while its down.
