The Terran Trade Authority is a science-fiction setting originally presented in a collection of four large illustrated science fiction and Space Art books published between 1978 and 1980. This series was written by Stewart Cowley. The books formed a connected space-opera milieu, describing the future history of mankind's expansion into the galaxy, presented in the guise of official handbooks by the trade organization from which the setting takes its name. However, the books sometimes contained c
