At Primary Care Partners of South Bend, we understand the recent skepticism surrounding vaccines. We know that every parent wants to do what is best for their baby, and we can assure you that newborn vaccines are a safe and effective way to protect your baby, family, and community. While every medical procedure has risks, we feel that the benefits of vaccines strongly outweigh the risks of contracting one of the diseases from which they protect.

All primary care providers should make provision for staff to have sufficient time to train in resuscitation skills as part of their employment. Specific training for cardiorespiratory arrests in special circumstances (e.g. resuscitation of children or the newborn) should be provided for medical, nursing and other clinical staff where appropriate.
