Interactive Writing: How Language and Literacy Come ...

ERIC - ED435102 - Interactive Writing: How Language & Literacy Come Together, K-2., 2000 Focusing on the early phases of writing and having special relevance to prekindergarten through grade 2 teachers, this book shows how teachers can use interactive writing to teach a range of foundational literacy skills by sharing the pen with young writers.

Interactive Writing: How Language & Literacy Come Together ...

Interactive writing. Interactive writing involves the teacher sharing the pen – or other writing implement – with the students. The teacher records words that are already known, so that the students can strategise around words that challenge them. Because interactive writing involves the students in the physical act of writing, it is a powerful teaching approach for advancing students' overt awareness of spelling strategies and of handwriting skills.

Interactive writing

Interactive writing makes the writing process visual to the whole class, and English learners who are not yet writing can contribute by illustrating the interactive writing. Interactive writing is context-embedded instruction that taps the prior knowledge of students. It also involves social interaction and cooperation among students.
