Question answering system thesis proposal - I Help to Study

Question Answering systems have transformed much in past four decades at par with the whole of natural language processing. It was in the year 1978 when the first classic QA book was published. It was based on Lehnerts thesis where she proposed a question answering system based on semantics and reasoning.

Question Answering System - cfil.itb.ac.in

Question answering is very dependent on a good search corpus—for without documents containing the answer, there is little any question answering system can do. It thus makes sense that larger collection sizes generally lend well to better question answering performance, unless the question domain is orthogonal to the collection.

Question answering - Wikipedia

When you put forward a proposition or a hypothetical question and support it with arguments, you can call it a dissertation. A defense on the other hand generally means the evidence that act as a support for the work. The evidence you will be selecting for your work is defended by the dimension of the work you have undertaken.
