The working class comprises those engaged in waged or salaried labour, especially in manual-labour occupations and industrial work. Working-class occupations include blue-collar jobs, some white-collar jobs, and most pink-collar jobs. Members of the working class rely exclusively upon earnings from wage labour; thus, according to more inclusive definitions, the category can include almost all of the working population of industrialized economies, as well as those employed in the urban areas of n

Working class - Wikipedia

The working class, like the middle class, was divided into two categories. In the upper category were skilled labourers who worked with their hands, like carpenters and blacksmiths. The lower category held the masses of working men and women who provided unskilled paid labour to factories, farms and shops, or who did the dirtier jobs like fishing and butchery.
