People Of Paradox A History

"People of Paradox confirms Terryl Givens's status, if it was ever in question, as the leading mid-career scholar of Mormonism. People of Paradox will likely, for a generation or more, be the statement on Mormon culture with which scholars must wrestle. This well-researched cultural history succeeds brilliantly in what it sets out to do—synthetically identify and explain fundamental issues and trends within Mormon culture.

In People of Paradox, Terryl Givens traces the rise and development of Mormon culture from the days of Joseph Smith in upstate New York, through Brigham Young's founding of the Territory of Deseret on the shores of Great Salt Lake, to the spread of the Latter-Day Saints around the globe. Throughout the last century and a half, Givens notes, distinctive traditions have emerged among the Latter-Day Saints, shaped by dynamic tensions—or paradoxes—that give Mormon cultural expression much of ...

People of Paradox: A History of Mormon Culture - Kindle ...

As I like to say, we believe in the Atonement but not in original sin. We celebrate the Resurrection but do not reverence the crucifixion. We look to immortality but look away from death. These contradictory views help us to make sense of our suffering. We see the contraries, but no one has made as much of them as Terryl L. Givens. In his People of Paradox: A History of Mormon Culture, Givens introduces a set of four central contraries imbedded in Mormon doctrine.
