A Childs Work The Importance

Documenting children's work also clarifies the significance of play in a child's development, Carter added. "It helps [parents] understand the connection between play and the learning process. I think play is the foundation for children to become competent learners cognitively, socially, and emotionally.

Children's Work -- Visibility Leads to Value | Education World

In the case of our children, this would include the kindness of acknowledging that their perceptions and premises are not the same as older children's or as our own. Paley, Vivian Gussin (2004) A Child's Work: The Importance of Fantasy Play. Chicago: The University of Chicago Press.

A Child's Work: The Importance of Fantasy Play

The work of children was important in pre-industrial societies, as children needed to provide their labour for their survival and that of their group. Pre-industrial societies were characterised by low productivity and short life expectancy; preventing children from participating in productive work would be more harmful to their welfare and that of their group in the long run.

Child labour - Wikipedia

In any classroom, displays should consist primarily of the children’s work, rather than teacher-made or store-bought pieces, no matter how beautiful those pieces might be. Displaying student work sends several important messages: As teachers, we value what students do. This is their classroom as much as ours.

Displaying Student Work | Responsive Classroom

Creating art allows children to work through feelings and emotions, and referring to a finished piece of artwork helps a child talk about feelings in a

new and meaningful way. Art also develops a child’s creativity. Rather than being told what to do, answers and directions come from the child.

The Importance of Art in a Child's Development

Learning to work as part of a team will help your child hone many social skills, such as patience, empathy, communication, respect for others, compromise and tolerance. It also helps them develop confidence in themselves and trust in other people.
