El uso práctico de la intuición : radiestesias: Amazon.co ...

De aquello de lo que no recibimos información suficiente a través de los sentidos – que son los encargados de aportar la materia prima de nuestro conocimiento – no podemos saber realmente nada, y cuando la razón especula en el vacío sobre absolutos como Dios, el alma, el Universo, etc., se aturruella en contradicciones insalvables” Savater, Las preguntas de la vida.

2. 1 Razón: uso teórico y uso práctico

El uso práctico de la intuición La intuición es parte inherente del ser humano. Desde los albores del tiempo, ha servido como herramienta práctica

para encontrar los lugares más favorables para vivir, diagnosticar enfermedades, localizar recursos preciosos para la vida, y descubrir las terapias y los alimentos más acertados.
