Math In Focus The Singapore

Math in Focus mirrors the original Singapore Math's layout with books A and B for each level for Teacher's Editions, student textbooks, and student workbooks, essentially splitting the course for each level into two parts. Kindergarten is the exception to this layout since it has only workbooks rather than separate texts and workbooks; there are four of these relatively thin kindergarten student workbooks.

What is referred to as Singapore Math in most other countries is, for Singapore, simply math. In 1982, the first

Singapore math program, Primary Mathematics, was published by Singapore's Ministry of Education. For close to 20 years, this program remained exclusively in Singaporean classrooms.
