For much of human history 'reading' meant being read to. Innovations in printing, paper-making and transport, combined with the rise of public education from the late 18th century on, brought a dramatic rise in literacy in many parts of the world.

The History of Reading - The British Library

By 1525, Reading was the largest town in Berkshire, and tax returns show that Reading was the 10th largest town in England followed closely by Colchester and Leicester, based on taxable wealth. By 1611, Reading had a population of over 5000 and had grown rich on its trade in cloth, as instanced by the

fortune made by local merchant John Kendrick. At this time, Reading had mostly traditional timber framed houses, a few examples of which still exist in Castle Street, Market Place and other places.
