Vocabulary Checker Vocabulary Checker

This page discusses academic vocabulary. It begins by considering a definition of academic vocabulary, then looks at different types of vocabulary used in academic contexts, namely general words, non-general 'academic' words, and technical words. Another important feature of academic vocabulary, nominalisation, is also considered.

Templates can certainly be useful, as they can help us to quickly organise our ideas. Also, it is inevitable that we will need to use some 'linking' words and phrases in our essays. However, there is

also a danger that people focus more on the template than on answering the question with good ideas.
